Opportunities for access

A number of events that are integrated into the school careers programme will offer providers an opportunity to come into school to speak to students and/or their parents – please see Appendix 1: Annual Calendar of Events.

Please speak to our named contact above to identify the most suitable opportunity for you. The Academy's policy on safeguarding sets out the approach to allowing providers into school as visitors to talk to our students. The Safeguarding Policy is available on our website www.southhunsley.org.uk.

Premises and facilities

The Academy has a number of facilities that can be made available for discussions between the provider and students, as appropriate to the activity, including large halls, classrooms or meeting rooms. The academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the named contact above or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with our Careers Advisor who can add it to our careers library, or communal display boards.

3. Supporting Policies and Related Information

The policy for Provider Access supports, and is itself underpinned by, a range of key school policies including those for Carers, Safeguarding, Teaching and Learning, Equal Opportunities and Diversity.
