Dear Parent/Carer

**Re: History GCSE Revision Guides**

I am writing to you to recommend the purchase of the new Revise Edexcel GCSE 9-1 History series to help support your son/daughter in preparation for their exams and also to aid homework over the two year course. There are three revision guides available to purchase for each of the exam papers your son/daughter will sit:

Paper 1 – Medicine through Time c.1250-Present

Paper 2 – Early Elizabethan England 1558-1588

Paper 3 – Russia and the Soviet Union 1917-1941

Please be aware that you may have already purchased revision guides and or flash cards for Paper 1 and Paper 2 in the last academic year, and therefore do not need to purchase these revision guides again. If your son/daughter is not sure which History revision guides they need, please direct them to their History teacher.

Each revision guide usually retails at £5.99 each but bought through school will cost £2.70 per guide and is theirs to keep. Included with each revision guide is also a free app edition, which can be downloaded to a smartphone or device.

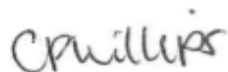

We are also recommending the purchase of Revise Edexcel GCSE 9-1 History revision cards. The retail price of these cards is £4.99 per topic, inclusive of VAT. These revision cards are only available for Papers 1 and 2.

If you would like to purchase revision guides, you will be able to do so via the Parentmail system. Please ensure you add each individual revision guide or pack of flash cards required to the cart before payment.

Payments will need to be paid by **Friday 11 December 2020**. After this date, an order will be made and your son/daughter's teacher will notify them when they have arrived. At the time of writing this letter, revision guides for Paper 1 and Paper 2 are currently out of stock. Where orders cannot be fulfilled due to low stock, full refunds will be issued.

If you have any further questions then please feel free to contact me at school.

Yours faithfully
