

To: Parents/Carers of All Year 11 Students

Our Ref: 872761

8 December

Dear Parent/Carer

### Re: Year 11 Sixth Form Applications Update

We hope you are keeping well. As we approach the end of the first term of this academic year, we thought we would write to you with some updates and reminders about the application process for South Hunsley Sixth Form.

Our Sixth Form 'Virtual Open Evening' went live in November. If you haven't visited it already – or if you need to check any of the information again – please go to [www.southhunsley.org/openevent](http://www.southhunsley.org/openevent). You will be able to browse our online sixth form prospectus, watch videos about the sixth form, videos delivered by our subject leaders about each sixth form course, and watch virtual online 'taster' lessons in subjects that are new for students at sixth form. Further videos will continue to be added, so keep checking back for updates!

We would like sixth form applications to be submitted to us by the Christmas holidays. In January, every student in Year 11 will have a progression meeting to discuss their future plans. For students who have applied to our Sixth Form, this will be a face-to-face discussion with Mr Hobbs or Mr Jacobs to talk about their application and options choices in more detail and receive advice and guidance as necessary. It doesn't matter if students are still unsure of which options they want to take – nothing is set in stone at this point, and there is still plenty of time to make final decisions and seek further advice, so please get those applications in. Similarly, if any students are also thinking about alternative pathways and providers in addition to South Hunsley Sixth Form, they should still submit an application to us so that we can make a conditional offer and reserve a place for them. Applications are made online – please go to [www.southhunsley.org.uk/sixth-form/admissions-and-applying](http://www.southhunsley.org.uk/sixth-form/admissions-and-applying).

During the recent Year 11 parents evenings, Mr Hobbs held video meetings with Year 11 parents/carers and students to answer questions about sixth form options and applications. It was lovely to be able to speak to so many of you and talk about our sixth form and what students are hoping to study with us when they join us next year. If you weren't able to book an appointment but have questions or queries about sixth form (or if you had an appointment, but would like to ask further questions), Mr Hobbs and Mr Jacobs are available to book additional meetings either by phone or video call. If you would like to arrange an appointment, please email Mr Hobbs via [Nicholas.hobbs@southhunsley.org.uk](mailto:Nicholas.hobbs@southhunsley.org.uk).

If you have any other questions or queries, please do not hesitate to get in contact with us.

Yours faithfully,

Mr N. Hobbs  
Director of Sixth Form (Year 12)

Mr P. Jacobs  
Director of Sixth Form (Year 13)
