

To: All Parents/Carers of Year 7 to Year 13 Students

Our ref: 872767

7 December 2020

Dear Parent/Carer

Re: School Reports and SIMS Parent App

I am writing to let you know how we will share all of our school reports this year. In order to allow all parents and carers to access the reports safely and securely, reports will be published using the SIMS Parent App. Parents and carers of students in Years 8 to 13 will hopefully be familiar with SIMS Parent, but for those who have not used it before, as well as for parents and carers of Year 7, the app can be downloaded from the App Store or from Google Play by searching for SIMS Parent. There is also a student version of the app for students themselves which displays their timetable and school diary.

As well as the school reports, the SIMS Parent app will also allow you to see your son or daughter's attendance and timetable as well as the contact details that the school holds for you and your family. You can then use this to keep the school updated with any changes in your details, through the data collection feature.

To help with setting up the SIMS Parent App, all parents and carers will shortly receive an invite to register. This email will come from noreply@sims.co.uk so if it does not arrive please check any spam or junk folders. For those of you who have already done so, this can be ignored, but for those who have yet to sign up, you will have the choice of setting up your own SIMS identity, or for added convenience, you can use existing login details for any of Microsoft (or Office 365), Google, Facebook Apple or Twitter.

Included with this letter is a guide to registering and downloading both the Parent and Student app. If you have any queries or issues registering please do not hesitate to contact the IT Support team via email it@helpdesk.southhunsley.org.uk and mark the subject as SIMS parent app.

The measures in place to protect the security of both your and your child's data can be viewed by following this link: http://simspublications.com/876223/assets/sims_parent_privacy_statement.pdf

The first reports of the year for students in Years 11 and 13 have been published and are available now on the app. Reports for students in all other year groups will be published in the week of 14 December. Your complete guide to all the information contained in our reports can be found on the school website here: <https://southhunsley.org.uk/parent-information/>.

Many thanks for your support,

Yours faithfully

Barry Gray
Deputy Headteacher

Please note some users have experienced a blank page when registering, this has been fed back to SIMS but if you do get a blank screen the registration may still have successfully gone through. Please proceed to download the app and login with the account you registered with. You could also login into <https://parent.sims.co.uk> to check your account has registered.

The Education Alliance (operating as South Hunsley School and Sixth Form College) is a charitable limited company registered in England and Wales No. 7542211 whose registered office is at the above address.
