Dear Parent/Carers and Students

**Re: Year 10 RS GCSE Exams 2021**

As you know, the Prime Minister has announced that GCSE exams will not take place this summer in the normal way, but has not yet given details of how grades will be awarded, or how this might affect students in Year 10. We understand that this new uncertainty might have left you feeling worried about the qualification you were due to sit in the summer.

At the moment we have not been given any more details other than those you will have heard or read about in the media. We will, write to you as soon as we do have more details. In the meantime, please continue with your online lessons, keep working hard and be assured that all the work you do now will be recognised, and in any eventuality, will be invaluable in preparing you for your future.

Yours faithfully

Barry Gray  
**Deputy Headteacher**
