

To: Parents/Carers and Students of all Year 11

Ref: 29042021

29 April 2021

Dear Parent/Carers and Students

Re: Year 11 Student and Parent/Carer Update

I hope you and your family are well and have had a positive start to the summer term.

I am writing to share with you arrangements for Year 11 students as their time in Secondary Education at South Hunsley comes to an end.

Leaving Date

With the removal of external examinations this year, the leaving date for Year 11 students will be Friday 28 May 2021. Final details about the specific arrangements for how we plan to mark this important milestone will be shared nearer the time, but I hope by having this date now is helpful in terms of summer planning.

Prom

Tickets have now been on sale all week for the Prom, and we are pleased to have sold and seated so many of our students. Just a reminder that tickets can be purchased through Parentmail under "Celebration Evening" and once this has been completed students can then book a table seat by seeing Mrs Loughton in the space during lunchtime. They must ensure they have paid beforehand as seats cannot be saved on tables without having done so. Please be assured that there is plenty of space and we are confident we can accommodate the whole of Year 11 should they all wish to attend. Tickets will be on sale until 21 May 2021.

If for any reason we are unable to continue with the prom due to Covid restrictions then the full price of the ticket will be refunded.

Sixth Form Induction

Throughout this year it has been great to speak to so many students about their post 16 plans and I am delighted that so many of our students have indicated their intention to join our Sixth Form next year. We are very much looking forward to welcoming those who have expressed an interest in becoming our next cohort of Sixth Form students and hope that you have found the transition support we have offered this year helpful. In support of this, we will be running a 3 day induction programme for all students joining us in September from Monday 5 July to Wednesday 7 July 2021 and would ask that students keep these days free so they are able to take part in this important programme.

Should any student need further advice or guidance about their next step plans then please do not hesitate to contact our Careers Advisor Mrs Julie Barker julie.barker@southhunsley.org.uk

GCSE Results Day

GCSE results day has been brought forward to Thursday 12 August this year. Although final arrangements have yet to be confirmed, we hope to be able to hand results to students in person this year, social distancing permitting. We will also be sending an electronic copy of these results to student email addresses on this day too. Students should make sure they can access their school email accounts and that they have space in their mailbox in advance. Colleagues will be available to support students and parents with any questions. In addition, Sixth Form enrolment will also take place on this day. Further details on results day and enrolment will be shared soon.

Finally, can I again thank you for the tremendous support you have given during what has been another very challenging and difficult year. On behalf of everyone across the school, thank you and please do not hesitate to contact me should you wish to discuss this or any other issue further.

Kind regards
