

26 April 2021

Dear Parent/Carer

Re: Year 6 Transition Presentation

Further to our previous letter, the Year 6 Transition Presentation will be available to view via our school website, <https://southhunsley.org.uk/secondary/>, from Thursday 29 April 2021. The aim of the presentation is to introduce the children to Mrs Beharrell who will be a key figure in guiding them through the transition process and ensuring their move to South Hunsley is as smooth as possible. Mrs Beharrell will also explain what the children can expect over the coming months and when they start in September, which will hopefully help them settle happily within the school environment.

We have created an area on our website 'Welcome to South Hunsley - Year 6 Students'. Click on this banner and the link to the presentation will be available here, along with our chatbot to ask any questions you may have to support your child's transition. We will also add any additional activities and information to this area in due course.

A reminder that completed Admission Forms need returning to school by Tuesday 4 May 2021 and we look forward to sharing more information with you soon regarding the arrangements for our Induction Day and Evening scheduled to take place on Thursday 24 June 2021.

Yours faithfully

Richard Williman
Headteacher
