Dear Parent/Carers

Re: Year 12 Parent UCAS Information Evening Thursday 20 May 2021

You are invited to attend an online presentation hosted for us by our colleagues from the University of Hull Schools and Colleges Engagement Team on Thursday 20 May 2021 from 6pm to 7pm.

The presentation will provide an insight into the process of applying to university (there are some changes new for this year for those who have been through the process with older siblings) and some key points to consider when supporting your young person. There will be the chance to submit questions during the event, which will be answered with a Q&A at the end.

The presentation will cover a range of topics, including:

- Why go to university?
- The importance of making informed choices
- The application process
- Student Finance

The meeting is in addition to the work we are doing with students, but they are also more than welcome to join the presentation.

Please use the registration link: <https://attendee.gotowebinar.com/register/7913084444806046219>

Even if you are unable to attend the live event please do still sign up, as you will then receive a recording of the presentation afterwards.

Yours faithfully

Nick Hobbs
Director of Year 12

Paul Jacobs
Director of Year 13
