Welcome

Despite the challenges they faced, the Class of 2020 showed commitment, determination and resilience and were a fantastic example of all that is great in our young people, our school and our community. I am immensely proud of them all.

Whilst we have been unable to host our annual celebration event I hope this publication provides an opportunity for us to recognise and congratulate some of those students that went that extra mile, be that through their hard work, commitment or achievements. Congratulations to the class of 2020 and to all those students recognised in the following pages.

On behalf of everyone at South Hunsley School thank you for enriching our school community and well done on achieving so much.

House Point Stars

Mr J Coulbeck

“

During the pandemic, it was still great to see such a large amount of house points awarded across the school. The 2 students in each house who achieved the highest number of house points at the end of the academic year were recognised. These students demonstrated a fantastic attitude towards learning and this was reflected in their overall house points. Congratulations to our top performers at South Hunsley School.

Through what turned out to be a challenging year for Year 11 students, it was fantastic to see so many still record 100% attendance. There were thirty students in total who managed to secure 100% attendance right up to the final day before school closure, which is an amazing achievement.

Special recognition must go to Harry D who achieved the incredible feat of not missing a single day at South Hunsley since starting in Year 7. Well done Harry!

She always had a smile on her face and nothing was ever and still isn't too much trouble. She has a fantastic sense of humour and has been an incredible role model to younger students. Her high achievements in both sport (netball) and education are truly admirable and shows what an incredible work ethic she possesses. Her zest for life and happy nature is contagious and we are so pleased that she has stayed on in our Sixth Form and still pops to see us regularly.

Raffle Prizes

Mrs M Trainor

“

We still wanted to reward the wider achievements of the Class of 2020, as we would have done if we had been able to go ahead with the prom. We had already purchased raffle prizes for the event and believed it was only fair students had an opportunity to win one of these. We drew a raffle based on the number of house points each student achieved last year and the lucky winners collected their prizes last week. Congratulations to all the winners and thank you to all students of the Class of 2020 who worked so hard to collect the phenomenal amount of house points they did between them!
