Dear Parent/Carer

**RE: School Community Litter Pick - Monday 14 June 2021**

As you will no doubt be aware, one of our core values at South Hunsley is the importance of community and the contribution we all make to strengthening and developing this.

As part of this work we are organising a student and staff community litter pick on **Monday 14 June 2021 at 3.40pm**. This will involve picking litter in 3 separate areas of Melton in close proximity to the school.

We hope that many students will wish to join our staff in this community event and would ask that any who do and are currently in Years 7, 8 or 9 complete the form below and return it to Mr Coulbeck by Thursday 10 June 2021. Those who are involved will be asked to meet outside our riding changing rooms after school on Monday 14<sup>th</sup> June 2021 where there will be provided with the appropriate PPE and litter picking equipment. Students will then be allocated to members of staff who will accompany them on the walk around Melton with the litter pick finishing by 5pm.

If you would like your son/daughter to be involved in this community project please complete the slip below and the Medical Consent Form and return to Mr Coulbeck by Thursday 10 June 2021.

Yours faithfully

Mr J Coulbeck  
**Pegasus House Leader**
