Dear Parent/Carer

Re: LFT Home Test Kits

As part of the government's response to the Omicron variant of Covid-19, we have been asked to help distribute home test kits to students for use over the Christmas holidays and to ensure that young people have sufficient home test kits. Should they need to do daily testing as a result of being identified as a close contact of a confirmed positive case.

To therefore support with this, over the last week of term, we will be providing all students with a box of seven home test kits. Should you require an additional box, please ask your child to visit their House office.

Yours faithfully
