Dear Parent/Carer

Re: Year 12 Parent/Carer UCAS Information Evening Monday 4 July 2022

You are invited to attend an online presentation hosted for us by our colleagues from the University of Hull Schools and Colleges Engagement Team on Monday 4 July from 6pm to 7pm.

Discover how to support your child (or child you look after) as they look to begin their university journey. Led by the University of Hull's Schools and Colleges Engagement Team, this one-hour webinar will include a brief update of the application process and an overview of student finance, followed by some hints and tips of how you can begin to prepare your young person for university life.

Dawn from the University of Hull will be joined by one of their current university students and a parent who has been through the process of supporting their child to university. We'll make sure to leave plenty of time at the end for you to ask any questions you might have. If you would like to submit a question ahead of the session, please feel free to email Dawn.Walker@hull.ac.uk with the subject heading University of Hull: Parents and Carers Information Evening.

Please register online here: <https://attendee.gotowebinar.com/register/4347681605733286670>
After registering, you will receive a confirmation email containing information about joining the webinar. Even if you are unable to attend the evening live, please register and you will be sent a link to a recording after the event.

The meeting is in addition to the work we are doing with students, but they are also more than welcome to join the presentation.

Further to our letter on 8 June regarding the Higher Education Day at the University of Hull, we have now been informed that the students will be given a £5 lunch voucher, which should cover lunch on campus, however students are welcome to bring extra money if they wish to.

Yours faithfully

Nick Hobbs
Director of Year 12

Paul Jacobs
Director of Year 13
