Dear Parent/Carer

**Re: Year 12/13 Geography Coastal and Regeneration Visit**

The Geography department is pleased to be able to offer your child the opportunity to participate in a visit to Coatham Sands and Middlesbrough. The provisional date of the visit is Monday 14 November 2022. We will be leaving school at 8am and returning at approximately 6.30pm.

The purpose of this trip is to provide students with the opportunity to collect primary fieldwork data related to the coastal and regeneration topics studied at A Level. Fieldwork is assessed in the A Level exams in Paper 3, this visit means students can put into practice the theory which is learnt in lessons. Also seeing the real life Geography in action along the sand dunes at Coatham Sands and to evaluate the success of regeneration in Middlesbrough. Students will require a packed lunch for the trip and suitable clothing as we will be outside for most of the day. Students who are entitled to free school meals may arrange for a packed lunch to be provided for the visit (available upon request).

As a school we work to ensure that the costs of all our visits are minimised, so that as many students as possible can take advantage of these valuable learning experiences. In this case, to be able to offer the visit, we are requesting a contribution of £27 per student. If the level of contributions fails to cover the costs then the visit may be cancelled. Where this happens, all monies will be returned. **Otherwise, all deposits are non-refundable.** Students who are entitled to free school meals may arrange for a packed lunch to be provided for the visit (available upon request).

If you would like your child to attend this visit then please complete the attached slip along with the medical form
