

To Parent/Carers of Year 12 Biology Students

Our ref: 87332385

10 October 2022

Dear Parent/Carer

Re: Year 12 Biology Fieldwork

As part of the A-Level Biology course, students are required to complete a variety of practical's and ecological studies. Students are required to undertake fieldwork to facilitate the gathering of data for use in investigations, and this experimental fieldwork will allow them to further cement their understanding of the topics within the A-level course. This fieldwork is scheduled to take place at Cranedale Field Centre as a residential trip from 26 June 2023 to the 28 June 2023. The trip will provide the students with detailed knowledge of ecology and conservation as well as improve their required practical skills, information can be found at <https://cranedale.com/biology-fieldwork/>.

As a school we try to ensure the costs of all our visits are minimised so that as many students as possible can take advantage of these valuable learning experiences. In this case, to be able to offer the visit we are requesting a contribution of £290 per student to cover the costs of the residential. This cost will cover transport, food and accommodation for the length of the stay. If this cost is going to prove restrictive then please get in touch.

We will depart by coach at 9.30am on Monday 26 June, and I anticipate that we will return to school by 17.30 on Wednesday 28 June.

If you would like your child to attend these visits, please complete the attached slip along with the medical consent form and return it to Mr Scott or Miss Munro by Friday 14 October 2022.

<https://forms.office.com/r/H1uwhQXM0H>

A deposit of £100 is required by Friday 21 October, and is payable via ParentMail.

You can make your contribution payment by using our secure internet payment site <https://pmx.parentmail.co.uk>. If you require any assistance in using this site or if you need your login details please e-mail finance@southhunsley.org.uk. If you do not have access to the internet then please contact the Finance department via telephone on 01482 631 208 to arrange an alternative method of payment

For the field trip students are likely to need to wear waterproof and warm clothing as they will be completing data collection in a range of locations throughout the days. Footwear needs to be

sturdy and suitable for walking on the beach and in woodland. There is a limited amount of equipment students are able to borrow, please let us know if this is a service you will need.

If you have any questions, please do not hesitate to contact us by telephone on 01482 631208 or by email at steven.scott@southhunsley.org.uk.

Yours faithfully

Steve Scott
Science Teacher
