

To: All Parents/Carers of Year 11 Students

Our ref: 87366852

23 November 2022

Dear Year 11 Student and Parent/Carer

**Re: South Hunsley Additional Sixth Form Open Evening, Thursday 1 December 2022,  
5.00pm – 7.00pm**

We are holding an additional Sixth Form event for Year 11 students and parents/carers on Thursday 01 December 2022 from 5.00 – 7.00pm which will provide an additional opportunity to find out information on our Sixth Form courses and opportunities.

There will be Sixth Form subject teachers to speak to in more detail about the courses and opportunities on offer. You will also be able to meet the Sixth Form team and speak with some of our current Sixth Form students.

The event will take place upstairs in the Sixth Form building, which will also allow you to have another look around some of the facilities available to you as a Sixth Form student. Please note, that this event is in addition to our main Open Evening, which was held in October and is intended for anyone who could not attend this, or wants to find out further information. We will not be sharing new information at this event that wasn't available at the Open Evening.

We hope this evening will provide you with another opportunity to see what studying at South Hunsley Sixth Form will be like.

Yours faithfully

Paul Jacobs  
**Director of Sixth Form – Student Support**
