Re: Finance Evening Information

Dear Parents/Carers of Year 13 students

Around this time of year our partners at the University of Hull run a Student Finance Evening for Year 13 parents and students. They have kindly offered to run this remotely this year on **Tuesday 27 February at 6:00pm.**

To access the online event, please use the following link:

Event Information:

Hosted by the University of Hull, this live online webinar will cover information about the Student Finance loans system available to students going to university across the UK. It covers everything from what the loans are, how to apply for them and repayments. Questions are welcome during a live Q&A at the end of the event.

On the day of the event, open the link above and it will allow you to join the webinar. If you are unable to attend this virtual event, a recording of the session will be made available afterwards.

This will be an invaluable and informative session for parents and students alike and I look forward to seeing lots of you there. I will send out a reminder closer to the event.

Yours faithfully

Paul White
