Dear Parent or Carer,

Re: Sixth Form Prom Donations

We are almost coming to the end of a brilliant academic year, and we are excited to be part of the team who are organising the Prom. With this in mind, we are sending out an SOS for anyone that can help us with raffle prizes.

All pupils have an automatic raffle ticket, and it would be amazing if we had lots of great prizes on offer.

If you could donate any age-appropriate gifts by Friday 28 June, it would be so welcome or if you are associated with any business that could donate prizes it would be so appreciated – meals out, beauty vouchers, sporting goods etc.

If you are able to help, could you bring the prizes into the school reception marked for the Sixth Form Prom Committee's attention, or if you are unable to do this we could come and collect.

Yours faithfully

Sixth Form Prom Committee
