Dear Parent/Carer

### Re: Year 13 Results Day

We are writing to give you some information about results day this summer. Our aim is to make sure you all receive your results at the same time, but also to provide the opportunity for you to collect your results from the school (in The Space) should you wish. This will allow school staff to offer their congratulations and also give guidance on next steps should you need it. Please see further details below, and should you have any questions about results day, please contact the Sixth Form Team.

We would also like to invite you to give permission for us to request the exam scripts across your subjects. The exam boards have moved to an electronic system for requesting student papers and this cannot only help us to better support you if you are looking to request a remark, but also allows us to anonymise answers and use these to help future cohorts of students at Hunsley to succeed. If you are happy to give us permission to access your papers, please complete the form on results day.

We hope you have an enjoyable summer, and we look forward to welcoming you on results day.

Best wishes

Mr P. Jacobs  
**Director of Sixth Form (Student Support)**

Mr P. White  
**Director of Sixth Form (Student Experience)**

## **A-Level Results Day 2024: Frequently Asked Questions**

### **When is A-Level results day?**

Results day is Thursday 15 August.

### **How will I receive my results?**

You will receive your results by email at shortly after 8.30am. In order for us to comply with GDPR, the results will be sent to your school email address. If for any reason your parents or carers wish to receive a copy of your results as well, then *you* need to inform the school that you give your permission for this to happen. You can do this by emailing [exams@southhunsley.org.uk](mailto:exams@southhunsley.org.uk) from your school email account with the following statement: "I give permission for my parent/carer [insert their name] to also receive the email containing my exam results. Please can you send that email to [insert parent/carer email address]." Please note that this may lead to a short delay in you receiving your own results email on results day morning.

You will be able to collect your results from The Space. The LRC will be also be open to support students from 8.30am, particularly those students who have not yet had confirmation of their university place or secured a destination. If this applies to you, please make your way to the LRC where a member of staff will assist you. Your parents are welcome to accompany you to collect your results.

### **How can I get help with UCAS or my next steps?**

School staff will be available in the LRC from 8.30am until approximately 3.30pm on Thursday 15 August and also from 9.00am on Friday 18 August. If you require any further assistance outside of these times please contact Mr Jacobs or Mr White by email and we will do what we can to help.

Mrs Barley will be available alongside one of our local apprenticeship providers in the 'Talky Bit' of the LRC from 9:00am – 12:30pm to support students who are still looking to secure an apprenticeship. Students can also email Mrs Barley ([sarah.barley@theeducationalliance.org.uk](mailto:sarah.barley@theeducationalliance.org.uk)) for help with this.

A colleague from the University of Hull will hopefully also be available to support students with Clearing or any other HE queries in general (not just those relating to the University of Hull) from 9:00am – 12:30pm. Students can also email [SCE@hull.ac.uk](mailto:SCE@hull.ac.uk) for general advice if not coming in person.

### **What do I do if I think that my grade is incorrect or I am not happy with my grade?**

All students have the opportunity to appeal their grade if they think it is incorrect. It is important to note that an appeal may result in a grade being moved down, staying the same, or going up.

### **Enquiries about Results**

All information about post results queries will be made available on the school website. Each exam board will also have information about enquiries about results.

### **Re-marks:**

If you would like to query a mark/grade upon receipt of your exam results you should contact the relevant Head of Department or subject teacher as soon as possible.

### **Please be aware that grades can be either increased, remain the same or lowered.**

If you wish to go ahead, payment must be received by Finance before the request can be processed. In all cases, the consent form must be signed by you before the application can be processed. We cannot process requests from your parents.

### **Access to scripts:**

You will receive your original script back. Please note you will **NOT** be able to apply for a re-mark if you have made a request for the original script to be returned. However, if you request a photocopy of your script you can still apply for a re-mark. A copy of your paper must be requested by Thursday 29 August.

### **Timescales:**

The Exam Boards set the timescales for when the above requests are returned to us. The outcome of re-marks can take up to 20 calendar days to be received from the date the school requests it.

### **What are the deadlines for non-priority appeals?**

The deadline for submitting a Priority re-mark is Thursday 22 August. Non – priority remark deadline is Monday 26 September.

### **I still have some school textbooks at home, what do I do with these?**

If you have any resources such as textbooks, please bring them to school when you come in to collect your results so that next year's students can use them.
