Dear Parents/Carers

**Re: Progress Evenings – Have Your Say**

Thank you to everyone who took part in our progress evening survey earlier this term. We were delighted with the number of responses we received overall. Every single one of the 70 form groups in school was represented in the responses (Year 13 parents/carers were not surveyed), giving a true spread of representation from across year groups.

The outcome of the survey is that a clear majority of parents and carers prefer progress evenings to remain online. So for the foreseeable future we will continue to use the SchoolCloud system to organise these. However, we will reconsider switching to face-to-face appointments if and when a majority of parents and carers would prefer this, and we will therefore continue to survey parents and carers on at least a biannual basis.

Having reviewed feedback from previous progress evening questionnaires, we know that the length of appointments can sometimes feel too short. We will therefore always offer 10-minute appointments rather than 5-minute appointments where capacity allows, and this is more likely to be with older year groups and with option subjects rather than core subjects. We also want to make sure all parents are aware of the additional face-to-face events we offer each year, all of which allow further opportunity for you to talk with members of our team.

To help with your diary, the expected dates for Progress Evenings and face-to-face events for the coming academic year are on the following page.

If you have any urgent concerns regarding your child's progress at any time, as ever we invite you to contact the main school reception via telephone 01482 631208 or email [reception@southhunsley.org.uk](mailto:reception@southhunsley.org.uk).

Yours Faithfully

Mr B Gray  
**Deputy Headteacher**
