Re: Key Stage 4 Information Evening

Dear Parent/Carer

It was great to see so many of you at our Key Stage 4 Information Evening last week. We hope you found it useful and that you left with a clearer picture of GCSE courses in the core subjects alongside the support in place for your child. If you were not able to attend or have any questions, do please contact your child's head of year. Their details can be found on our website here:

Thanks also to those who asked questions and provided feedback on the evening on how the academic year has started for both year groups. We are really pleased with how they have settled so far this year, particularly in terms of their attendance, which is one of the biggest contributing factors to final overall achievement.

I am aware that there was lots of information shared in a very short time on the evening, some of which will be useful now and lots of which will be of more use in the coming weeks and months and might therefore be something you want to refer back to. All the documents that were used or referred to on the evening are available here: <https://southhunsley.org.uk/curriculum/>.

Links to our booklet and the slides from the evening can be found below:

Our guide to studying, exam boards, NEA, revision, support and much more. A hard copy of this has been shared with all Year 11 students in school too.
