

To: Parents/Carers of Year 11 and Year 10 Students

Our Ref: 87822196

7 November 2024

Dear Parent/Carer,

**Re: Revision Guides**

We are writing to provide details of the revision guides and set texts we feel best support students as they prepare for their GCSE Exams in English Language, English Literature and Science.

We appreciate that collectively these resources represent quite an investment, and we would like to reassure you that we have worked closely with education suppliers to be able to provide them at a competitive price. However, you may be able to source several of them from online retailers at similar or lower prices and if this is the case, please use the details provided to order them yourself. If your child is in Year 11, please also check that you did not already order them last year. If your child is entitled to Free School Meals, they will receive a copy of the relevant resources so there is no need to order them.

Please find information about exactly which editions we suggest at the bottom of this message, in case you wish to purchase a selection of these books independently so you can see what is included in the pack.

For the English resources, the York Notes study guides have been selected because they give students all the information, they need to support them to achieve a grade 5, as well as extra guidance that will help students aiming for Grades 8 and 9. We have chosen the set texts editions because former students have told us they are the most student-friendly editions available. We recommend students bring their copies of the Literature texts along to class and have specified editions that make annotation easier. This is one of the best ways for students to prepare and revise effectively for their GCSE exams.

**For the science resources, students can order the following:**

Combined Science - CGP Revision Guide, Workbook & Flashcards - £17.50

<https://www.cgpbooks.co.uk/secondary-books/gcse/science/combined-science/sahcub43-gcse-combined-science-aqa-revision?c=64009237>

Separate Sciences - CGP Revision Guide, Workbook & Flashcards - £28.50

<https://www.cgpbooks.co.uk/secondary-books/gcse/science/chemistry/cacub43-gcse-chemistry-aqa-revision-bundle>

<https://www.cgpbooks.co.uk/secondary-books/gcse/science/biology/bacub43-gcse-biology-aqa-revision-bundle>

<https://www.cgpbooks.co.uk/secondary-books/gcse/science/physics/pacub43-gcse-physics-aqa-revision-bundle>

Orders can be placed with our Finance Department. The cost of the English Language and Literature Pack is £39.18. If you would like all English and Science resources, the cost will either be £56.68 if your child is studying combined science or £67.68 if your child is studying separate sciences.

I am pleased to confirm that we have been able to buy a full set of revision guides for students in mathematics so there will be no cost for these. We also have Tassomai, GCSEPod and Pearson Revise, all of which are online revision packages that we have invested in that students can access at any time on an electronic device without charge.

Orders will be delivered to students once they arrive in school. In the interests of sustainability, if once your child is finished with them, you no longer need and them, please return them to the school on results day and we will share them with other students to use in future.

If you have any questions, please get in touch.

Yours faithfully,

Mr B Gray  
**Deputy Headteacher**

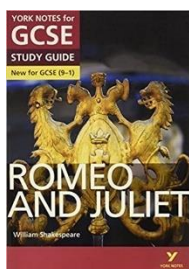

## Contents of the revision pack for English Language and Literature:

### Romeo and Juliet

Text: Romeo and Juliet: Accessible Shakespeare (playscript and audio)  
ISBN: 1292461160
