11 November 2024

Dear Parent/Carer,

**Re: Online Parental Workshop on 20 November 2024, 7pm – 8pm**

South Hunsley School are fully committed to the digital safety and wellbeing of our students and are continually ensuring that our staff and students are fully up to date with new technology and its safe use.

As part of this on-going work, we are really excited to be able to offer a workshop specifically dedicated to helping parents/carers understand the risks their children face online, and the practical things parents/carers can do to help.

We would like to invite you to join us for this hour-long workshop via Zoom (link below) in which Katherine Howard, Head of Engagement and Education at Smoothwall, will provide you with lots of valuable insights and tools. The workshop is appropriate for parents/carers with children of any age.

The workshop will include lots of information, hints and tips in areas such as:

- Information on the latest themes and trends your children may be accessing.
- The harmful content your child may be exposed to.
- How you can help your child to safely navigate online risk.
- How to access our brand new and FREE Online Safety Hub with dedicated guidance for parents.
- An introduction to a parental app that allows you to control what your child sees online if they are at risk, plus other important features.

Katherine is a very experienced and engaging trainer. Her sessions are very informative, fun, and come highly recommended.

The timing of the session is useful for anyone thinking of purchasing a digitally based (hardware or software) Christmas presents for their child.

To join the workshop, please click the link below to sign up for the session.

Once signed up you can access the workshop on Wednesday 20 November at 7pm. We look forward to seeing you there.

Yours faithfully,
