Dear Parent/Carer

Re: Year 9 Important Dates

Happy New Year. I hope you were able to find time to relax and enjoy the festive period. Following our Options launch event last month, and with Progress Evening happening this week and next, I wanted to provide a couple of reminders of key dates and the support available.

A link for your child's options form will be emailed to the parent/carer account held on Arbor in the week of Monday 27 January. Please keep an eye out for this and complete it as soon as your child has confirmed their choices. All forms should be completed by Monday 24 February.

A summary of all the different courses available can be found in our options booklet. If your child has mislaid their paper copy, you can visit the curriculum pages of the school website here for an online version [here](#).

Students can also speak to any of our subject teachers, their form tutor or our careers advisor if they have any questions. They have also had an opportunity to log in to Unifrog, our online careers platform, and complete some short questionnaires. The results from these can help match students with careers they are most suited to. However, the search function on Unifrog allows students to investigate any career or qualification they might be interested in.

Once forms are complete, we will write again to confirm the choices that are showing on our system to confirm these are accurate.

Finally, I'd like to take this opportunity to thank all parents and carers for your support for students and school staff during the process so far.

Yours faithfully,

Mr B Gray
Deputy Headteacher
