

To: All Parents/Carers of Year 13 Students

Our Ref: 87891702

13 February 2025

To Parent/Carer,

We wish to take this moment to recognise and commend the efforts of our Year 13 cohort and the valuable contributions you continue to make. Your positive attitude towards exam preparation is highly commendable. Although you may feel that your hard work may sometimes go unnoticed, we have been particularly impressed by the numerous students who have been utilising the LRC both during and after school hours. This commitment is sure to yield positive results in the upcoming summer exams. With twelve weeks left, we encourage everyone to either continue or start making use of this essential resource, as there is still ample time to positively influence your results.

Your subject teachers are also eager to acknowledge both individual and collective achievements. It has been a pleasure to witness the positive mindset exhibited by many of you in class, reflected in the effort and revision undertaken. As a result, we have observed notable improvements in the predicted outcomes. We commend your progress and challenge you to further develop your achievements. Reaching for ambitious goals is admirable, and we are impressed by your dedication and the progress you are making.

Regular attendance significantly enhances results. Evidence shows that students with consistent attendance tend to achieve favourable outcomes, and we praise those who acknowledge the importance of attendance. We encourage you to maintain your attendance over the next half-term, as consistent participation leading up to the exams will yield substantial benefits in the summer.

Hearing about the exciting destinations you all plan to achieve is truly encouraging. Appreciation is extended to the students who submitted their UCAS applications punctually. We consistently monitor the offers you are receiving, and it is promising to observe many of you obtaining offers from universities nationwide. For those pursuing apprenticeships, it has been great to see the proactive measures you are taking to secure your desired positions. While we recognise the potential anxiety surrounding the lack of a secured apprenticeship, the diligent efforts you are currently making will position you favourably when opportunities arise. We look forward to witnessing the positive contributions you will bring to both the Humber and national industries.

It is truly a delight to engage with each of you on a personal level. You exhibit politeness, maturity and respect, qualities that are highly valued. We are confident that you will all attain significant accomplishments in your lives, and we look forward to witnessing the positive contributions you will make.

Yours faithfully,

Mr P White
Director of Sixth Form

Mr P Jacobs
Director of Sixth Form

Mrs S Macdougall
Head of Year 13
