Exam Dates

As of Monday 3 March, there are eight school weeks until the first written GCSE exams on Thursday 8 May. For students who are studying Art, Drama, Languages, Sports, and Music there will be additional assessments before the formal start to the exam session.

The final date that all students need to make sure they are available for in the exams window is Wednesday 25 June. This is a contingency date and will only be used if another exam has been postponed from its originally scheduled date.

Your child will receive a paper copy of their exam timetable shortly, and an electronic copy will also be emailed to parents and carers. A copy of the full exam timetable is available for your reference on the school website here: <https://southhunsley.org.uk/parent-information/exam-information/>.

English Revision

We will shortly publish our revision programme for English. The sessions each week focus on a particular theme, allowing flexibility and the opportunity to attend different subjects on different weeks.

Easter Revision Sessions

We will also shortly publish the revision programme for the Easter break. This will be emailed to parents and shared with students in school.
