

To Parents/Carers of All Students

Our Ref: 87921663

31 March 2025

Dear Parents/Carers,

Re: VE Day Exhibition

For Information

As we approach the 80th anniversary of VE Day on Thursday 8 May 2025, our school is planning a series of activities to help our students reflect on this significant moment in history. To bring history to life, we would love to create a special exhibition featuring personal items from the Second World War.

If your family has any items from this period such as letters, photographs, medals, ration books, uniforms, or other memorabilia, we would be incredibly grateful if you would consider loaning them to the school for our exhibition. These artefacts will offer students a unique and tangible connection to the past, deepening their understanding of the impact of the war on individuals and families.

All items will be handled with great care and returned safely after the event. If you are willing to contribute, please contact Miss Bower at whitney.bower@southhunsley.org.uk by Monday 28 April 2025.

Thank you for your support in helping us make this commemoration a meaningful experience for our students.

Yours faithfully

Miss W Bower
Assistant Headteacher
