Welcome to South Hunsley Secondary School

South Hunsley School is a highly successful 11-18 mixed comprehensive, with approximately 2,100 pupils on roll, of which 400 attend our Sixth Form. Our catchment includes the town of Brough and several surrounding villages and along with eight feeder primaries makes up the South Hunsley Partnership.

We have a well established reputation for providing an inspirational learning experience across the full 11-18 age range and a track record of exceptional pupil performance.

It is an honour to belong to South Hunsley and we are very proud of our successful and inclusive school community.

We encourage all pupils to have high aspirations and great ambition underpinned by a love of **learning**, responsibility for strengthening **community** and recognition of the **limitless potential** of all. South Hunsley is consistently one of the top performing schools in Hull and the East Riding with pupils regularly performing significantly better than their peers nationally.

This trend continues in South Hunsley Sixth Form, where the majority of our Year 11 pupils choose to stay for their Post 16 studies. Our pupils consistently perform in line with the best post 16 providers nationally due to excellent results. These outcomes ensure that pupils are equipped for the destinations of their choice, whether that be Higher Education, apprenticeships or employment.

South Hunsley is a lovely school in which to work and learn. Good standards of dress and behaviour are expected of all our pupils and we insist on respectful behaviour and good manners. A broad and balanced experience is a big priority at South Hunsley and pupils have the opportunity to take part in a wide variety of activities. The range of our extra-curricular activities is quite remarkable and all our pupils are strongly encouraged to play a full part in the life of the school.

We have high levels of attendance, punctuality and achievement. Our pupils are successful, motivated, friendly and are well supported by parents and carers who form a strong partnership with us.

Our school is highly regarded in the local community and many of our developments have also been acknowledged and celebrated nationally. We strive to deliver the highest quality education for our pupils and ensure they have access to the best facilities and resources.

We look forward to welcoming you to South Hunsley.

Our Vision

We seek to inspire each other and learn to value greatness, ambition and achievement of all kinds. To belong to South Hunsley is an honour and each of us aspires to reach a potential which is not limited but is given wings by creativity and a shared sense of purpose.

OUR PEOPLE

We are proud and happy to say we belong to South Hunsley and all of us, adults and pupils, believe that we can only thrive individually and as part of a community in a culture of respect, honesty and high aspiration.

OUR VALUES

We are a strong, supportive community and positive personal relationships are an important feature of our school.

We have a strong sense of our shared values: values by which we live and against which we are happy to measure ourselves and our school.

- **Learning**, not only for purpose but for its own sake
- **Limitless potential** of people, always striving for distinction and high achievement
- **Strong community**, taking collective responsibility for ourselves and others

Your Pastoral Team

Karen Holtby
Head of Year 7

Annemarie Tamboras
Assistant
Head of Year 7

A Head of Year and an Assistant Head of Year oversee each year group and they are the first point of contact for all pupils and parents or carers if there are any questions or concerns.

Each year group attend weekly assemblies and has a chosen charity with pupils and staff being encouraged to organise and participate fundraising events. More information on the year group charities can be found on the website.

House and Reward System

Our house system was launched in 2014 and allows pupils to develop strong and positive relationships throughout the school community. Each house is made up of two tutor groups from each year group. Pupils take part in various activities across the academic year.

A rewards system is in place that complements the house system and encourages team motivation and community spirit.

Each week two 'Year Stars of the Week' are selected, which are pupils who have achieved the most stamps in their year group. Pupils have the option to exchange stamps for rewards in our rewards shop.

These can include the following items:

- pens
- pencils
- highlighter
- flashcards
- vouchers from well-known brands such as love2shop, Amazon and Nando's

The Transfer System

We all wish to see your children happily settled in their new school and, for this to be achieved we must provide support. The teaching staff in all of the schools in the South Hunsley Partnership work with parents/carers and children in order to ensure a smooth transition.

We work closely with primary schools that are out of our catchment area who have pupils that will be joining us. For these pupils we understand that the majority of their fellow classmates will be attending a different secondary school and they may feel slightly more nervous about moving to South Hunsley, so we provide all the necessary guidance and support to ensure they also have a smooth transition.

THE SPRING/SUMMER TERM OF YEAR 6

The Year 6 teacher will talk to the children about their move to secondary school and completes a transfer form. This indicates your child's strengths, interests and abilities and is sent to the Transition Co-ordinator at South Hunsley.

You will shortly be sent an Admission Pack which needs completing and returning to the Attendance Officer at South Hunsley by **Friday 10 May 2024**. Out of catchment parents will also receive these in the post.

During the Spring/Summer term and based upon the information we have about each child, the Transition Co-ordinator organises the children into

tutor groups. There will be two Year 7 tutor groups in each house. The tutor groups will be mixed ability groups that usually contain at least one child known to your son or daughter from their primary school.

On Thursday 27 June, your child will spend one day at South Hunsley, during which they will be introduced to their form tutor, begin to learn their way around the site, go to one or two lessons and meet other children in their class. All parents and carers are invited to visit South Hunsley in the evening. This will allow you to meet your child's form tutor, hear about the curriculum and meet the headteacher.

THE FIRST TERM AT SOUTH HUNSLEY

On their first day, children will be met by their form tutors and year staff. Your child will quickly get to know and be known by their tutor. The frequent meeting of this group ensures that every child gets to know all the other members of the tutor group. There will be an opportunity to begin to make friends. During the first term, there is a tutor evening where you can meet your child's form tutor and discuss how well your child is settling in.

Induction Day for Pupils

THURSDAY 27 JUNE 2024

We will endeavour to follow the timetable adjacent, but this may be subject to change.

ITINERARY

08.40

Pupils should meet on the tennis courts by Humber building which is located by the bus park and car park on Lowfield Lane

08.40 - 09.10

Assembly in Riding Hall where pupils will be introduced to their tutor group

09.15 - 10.05

Lesson 1, sample lesson

10.05 - 10.20

Break - a bottle of water and a piece of fruit will be given. Pupils will be shown where to take their break

10.20 - 11.20

Lesson 2, sample lesson

11.20-11.25

Movement to relocate to next class

11.25 - 12.15

Lesson 3, sample lesson

12.15 - 13.15

Lunch - pupils will have their lunch. Each tutor group will be shown where to take their lunch

13.15 - 14.15

Lesson 4, sample lesson

14.15 - 14.20

Movement to relocate to next class

14.20 - 15.15

Tutorial is a chance for pupils to start to get to know each other and their form tutor. There will be a variety of activities including a tour of the school with Sixth Form pupils

15.15 - 15.20

Pupils escorted to bus park

Induction Evening for Parents

THURSDAY 27 JUNE 2024

We would like to invite all parents/carers to this evening. Due to the large number of parents/carers involved, there will be two sessions; this will allow for a greater degree of contact between form tutors and parents or carers.

SURNAMES A - J

17.00 - 17.30

Optional short tour

17.30 - 18.15

Meeting in Riding Hall

18.15 - 18.30

Meeting with your child's form tutor
in the Humber building

SURNAMES K - Z

18.15 - 18.45

Optional Short Tour

18.45 - 19.30

Meeting in Riding Hall

19.30 - 19.45

Meeting with your child's form tutor
in the Humber building

MEETING WITH YOUR CHILD'S FORM TUTOR

You will be directed to a room in the Humber building where your child's form tutor will speak to you as a group for around 15 minutes. After this, you will be able to speak to your child's form tutor individually if there are any confidential matters which you wish to discuss. Please note, some form tutors are recent appointments to the school and not yet teaching at South Hunsley, so may not be present on this evening. In this case, you will be met by a pastoral team member.

Jodie Sweeney, SEN Co-ordinator, will be available if you wish to consult her. You will need to book an appointment using the appointment slip enclosed in the Admission Pack.

What You Should Know

08.40-09.05	MOVEMENT	09.10 - 10.10	MOVEMENT	10.15 - 11.15	BREAK	11.30 - 12.30	LUNCH	13.15 - 14.15	MOVEMENT	14.20 - 15.20
Registration /Tutor		Period 1		Period 2		Period 3		Period 4		Period 5

ATTENDANCE

Pupils must attend regularly and punctually. If a child is absent owing to illness, medical appointment or family circumstances, a telephone call on the first day of absence is required by the start of school by 8.30am at the latest, followed by a note sent with the child when they return to school. It is the parent/carers' responsibility to inform the school on the first day of absence and every subsequent day of absence. The school operates a 24 hour answer phone (01482) 631208 or e-mail absence@southhunsley.org.uk. If a note is not provided, this absence may be recorded as an unauthorised absence.

South Hunsley has its own Education Welfare Officer who supports the school in maintaining high levels of attendance.

MEDICAL ISSUES

If your child is taken ill during the day, they should report to their subject teacher or Head of Year.

Some children require medicines to be given during the day. If possible, please give your child the medicine before school or after school.

Pupils must not carry medicines around school. If necessary, they should be handed in at main reception with an appropriate form completed by the parent/carer.

First Day

WHAT DO THEY NEED ON THEIR FIRST DAY?

A name label in every piece of clothing.
Bus fare or bus pass. Please provide your child with a strong bag, but it does not need to be huge. A rucksack is much better than one with a single strap.

Pupils should meet on the tennis courts by Humber building on their first day, see site map on page 1

HOW WILL THEY MAKE FRIENDS?

They will know some children from their primary schools, but they will quickly make new friends. The Induction Day in June starts this process, but the form tutors spend time working with their groups so that everyone quickly knows everyone else. The children are taught as a tutor group for most lessons so they quickly build relationships with each other. The many school activities further broaden their circle of friends.

WHO DO THEY SEE IF THEY HAVE A PROBLEM?

If your child loses something or is unsure what to do next, they should ask their form tutor, Head of Year or Assistant Head of Year to help them.

Travelling to School

The safety of our pupils, and of those around them, is our top priority in terms of travelling to and from school. Many of our pupils travel by bus but you may wish your child to cycle, walk or travel in a private car.

BY CAR

If you are transporting your child to school, we encourage parents/carers to drop off and collect pupils further away from the school site to avoid risk of injury and to ease congestion. If this is unavoidable, when accessing the school from the Welton side, please use the Lowfield Lane bus park. When coming in from the Swanland side, please use the D-Ring main entrance. We ask that you do not block the front lay-by or the entrance to the main car park.

The D-Ring at the front of the school may be used for dropping off or quickly collecting pupils, but is often particularly busy at 8.30am and 3.20pm – no cars should be parked in this area. We also ask that you do not park on East Dale Road. The bus lay-by on Lowfield Lane can only be used to drop pupils off in a morning.

Parents/carers should not use the main school car park at the front of the school. These facilities are reserved for staff, visitors and school buses and need to be accessible throughout the school day.

Also, please be courteous to others needing to access the assigned disabled parking spaces.

CYCLING

Cycle sheds are available around the school site and a good cycle lock is essential. We recommend you insure and postcode stamp cycles and that pupils should use official cycle tracks where these are available. We strongly suggest they do not cycle on Great Gutter Lane and, if cycling between Welton footbridge and the school, pupils must make use of the designated path alongside the school sports fields. We strongly recommend that pupils do not use the A63 cycle path as this passes extremely close to the eastbound carriageway. An alternative route to the A63 is available through the village of Welton but cyclists must obey the one-way system to and from school. Pupils must not cycle anywhere on the school site as this represents a danger to pedestrians. Cycling helmets should be worn and lights must be used in winter. The school reserves the right to withdraw a pupil's permission to cycle to school if the cycle is unroadworthy, or behaviour is such that pupil or public safety is put at risk.

BY BUS

If you live three miles or more from school, or if the journey from your home to school is deemed by the Local Authority to be a hazardous route, your child will be issued with a free bus pass. This is normally available before the end of the summer term. Your child will travel from the bus park on Lowfield Lane when leaving school at the end of the day.

Those pupils who live outside our traditional catchment area can buy a daily ticket. Discounts apply, please contact East Yorkshire BusLine on **(01482) 592929** with regards to eligibility.

Please note that we take the safety of our pupils very seriously. Any complaints about buses, bus behaviour or bus service providers should be made directly to the Local Authority Home to School Co-ordinator via the East Riding of Yorkshire Council website www.buswise.co.uk or by telephoning **0845 644 5949**. Bus timetables are available to view on the school website.

WALKING

We encourage walking to school. Your child can enter the site along Lowfield Lane or via the main entrance on Eastdale Road. There is a footpath from a pedestrian bridge across the A63 and along the school fields heading towards Lowfield Lane.

Catering

WHAT HAPPENS AT LUNCHTIMES?

Your child can buy a cooked meal, sandwiches, salad or pasta pots or can bring a packed lunch. Our catering team have an excellent reputation for their freshly cooked and varied meals. All the dining rooms promote healthy eating and hold the Healthy School Status Award. We have a catering section under the 'Parents' 'Information' tab on our school website where you can view our weekly menus.

Please bring a drinks bottle to refill, as we no longer sell bottled water. Hydration stations are located around the school site providing pupils with free, fresh water throughout the day.

HEALTHY EATING

Our aim is to provide all pupils with a varied and balanced diet and we offer pupils a 'Meal Deal' for £2.50 which includes a main meal and a dessert. Our meat and vegetables are locally sourced on a daily basis and pupils are encouraged to offer feedback and menu suggestions.

Breakfast is available from Riding Dining Room from 8.00am until 8.30am, serving cereals, toast, bagels, fruit, warm and cold drinks and much more. At morning break, pupils can purchase a healthy snack including fruit, yoghurts, bread-based products and drinks from The Space, The Cube, The Cube2 and Riding. Lunches are available from The Space, The Cube, The Cube2 and Riding from 12.25pm until 1.15pm, including vegetarian and gluten free meal options.

BIOMETRIC ID SYSTEM

The school operates a cashless system for school meals, the system is biometric and pupils' fingerprints are registered in preparation for the start of the new term in September. Fingerprints are not stored by the system, and it is not possible to create an image of a finger from the information that is stored in the system.

We are keen to make sure that parents/ carers are aware and understand how the biometric ID system works and the benefits such a system can offer. We will register your child's biometric information by scanning an imprint of their finger. Further details of this will be sent in due course. If you do not wish to use the biometric system, there is an option to be issued with a swipe card instead.

You will need to complete a biometric consent form included within your admission pack, and return to the school by **Friday 10 May 2024**.

School Uniform Policy

All pupils in Years 7 to 11 are expected to wear school uniform. A high standard of personal appearance is expected of all pupils and anyone arriving at school in non-uniform clothing can expect to be sanctioned, unless an explanatory note is received.

It is important that the standard of uniform reflects a pride and sense of belonging in the school and presents our pupils in the best possible light to visitors and the wider community. As such, the uniform should not be modified or adapted.

- ✓ Shirts tucked in
- ✓ One watch and one charity wristband
- ✓ Ankle boots can be worn with trousers
- ✓ One pair of small stud earrings

- ✗ Extreme hair colours or styles
- ✗ Trainer socks or socks worn over tights
- ✗ Trousers falling above the ankles
- ✗ Trainers, canvas shoes, sandals or knee boots

Our Uniform Policy could be subject to change at any time.

PE and Sports Uniform

- ✓ Must be tied back for all activities if hair may cover face
- ✓ Shin pads are mandatory for invasion games, such as hockey and football - both in school and at competition level
- ✓ Optional blue base layer under top and shorts are permitted
- ✓ Mouth guards are highly recommended for hockey and rugby in lessons, and are mandatory at competition level

- ✗ No jewellery of any kind is permitted during physical activity
- ✗ Pupils will not be able to take part in rugby or football on the field in trainers
- ✗ Jogging bottoms and hoodies are not permitted in any form
- ✗ No loose long hair; it must be tied back

If pupils are excused from PE or games lessons, they must provide a note and also bring a change of clothes. For games lessons, we recommend blue leggings or tracksuit bottoms and a training top, jacket or waterproof top and shoes suitable for going onto the sports fields.

All clothing and equipment must be clearly labelled with the pupil's name.

COLD WEATHER

In cold weather there is no objection to pupils wearing a white T-shirt under their shirt but this must not be seen above the shirt and tie.

In adverse weather conditions wellingtons or sturdy footwear can be worn for the journey to school but pupils must change into school shoes on arrival.

OUTER CLOTHING

Denim coats/jackets, hoodies and tops with offensive messages or logos are not acceptable for school and must not be worn. We recommend a relatively inexpensive coat (as opposed to a small 'fashion jacket') which is light coloured for maximum visibility. During the school year, the weather means that some pupils may wish to wear hats or scarves. Therefore, from October half term until Easter, pupils can wear these items but must remove any hats or scarves upon entry into buildings. If a pupil is seen wearing a hat or scarf inside the buildings they will be asked to remove it.

MAKE UP AND PIERCINGS

Make up should be subtle if worn. Nail varnish, including false nails and false eyelashes, should not be worn. All piercings other than one pair of small stud earrings are not allowed.

MOBILE PHONES

Mobile phones must be turned off and in their bags on arrival at school and at all times on school site. If they need to contact home for any reason they can go to their Head of Year.

EXEMPTIONS

As part of the school's commitment to inclusion, pupils may be exempt from certain aspects of the school uniform policy due to their religion or culture. Requests should be made in writing to the Headteacher. All requests will be considered on an individual basis.

ORDERING UNIFORM

Uniform can be purchased from our uniform providers:

Rawcliffes

Tel: (01482) 223539

Email: info@rawcliffes.co.uk

Website: www.rawcliffes.co.uk

Address: 16 Saville Street, Hull, HU1 3EF

Steady School Wear

Tel: (01482) 322982

Email: sales@steadyschoolwear.co.uk

Website: www.steadyschoolwear.co.uk

Address: 29 Holderness Road,
Hull, HU8 7NA

TIES

A school tie is a compulsory part of South Hunsley's uniform and will reflect which house your child is a part of. Due to pupils not being allocated their house until later in the summer term, ties will be given to pupils on their first day in September. Payment for ties can be made via Parentmail. Ties cost **£6.50**, with additional ties available for purchase from the school reception, Rawcliffes or Steady School Wear.

School Sporting Fixtures

SPORTS FIXTURES

The PE department offer a broad range of activities and fixtures throughout the year.

Although there are planned fixtures throughout the academic year, it does tend to change, sometimes at quite short notice, due to the prevailing weather or cup fixtures. Because of these changes, it has been our practice to trust pupils to keep you informed of dates, times and venues and to tell us of their availability for matches.

This arrangement allows us to run the maximum number of teams and events with the minimum number of cancellations. We would like to continue the system this year and we would be grateful if you would give your permission for your child to take part in this way.

PUPIL MEDICAL DETAILS

It is important that PE staff have up to date medical information when they are at a fixture. Please help us by completing the separate consent form in the Admissions Pack.

SUPPORTING SCHOOL SPORTS

Please notify us of any temporary injury or illness which may affect the sport concerned. We would also ask that you remind your child of the importance of good behaviour at all times when representing the school.

For sporting updates and news, follow our X account @SouthHunsleyPE

Extra-Curricular Activities

We are fortunate to be able to offer a wide range of additional activities, often during lunchtimes. Many staff give their time generously in order to enrich our pupils' experience. Below are some examples of the activities available.

To find an up-to-date list of activities, please visit the website.

Music	Activities include orchestra, wind band, jazz group, electronic keyboard workshops and choirs. Each year there are several musical events ranging from workshops to pupil-led concerts.
Whole School Production	Each year we see Drama, Music, Art and Technology pupils combine their talents with astounding results. Recent productions have included Grease, School of Rock, The Wizard of Oz and The Sound of Music.
Drama	Drama clubs are available to Years 7, 8 and 9 pupils at lunchtimes. Pupils participate in team building activities and explore script work as well as devising their own performances.
Sport	At least eighteen different sports are offered and nearly 350 fixtures are played each year. Mentoring and practical workshops are offered to selected pupils for a wide range of sports.
General Interest	Technology, Mathematics, and History clubs are active within the school. Our EcoHunsley group carry out a range of sustainable projects across the year including allotments and recycling strategies, helping to maintain the schools Green Flag status. A large number of pupils also take part in raising money for a variety of charities.
Student Union	Our Student Union is actively involved in all major projects undertaken by the school, and pupils are given a voice in many of the decisions that affect their experiences whilst at South Hunsley. Pupils also have the opportunity to become Year Captains.
Educational Visits	Examples of domestic and international educational visits and experiences that have previously been offered are: <ul style="list-style-type: none"> ■ Wales and Ribblesdale Residentials ■ Ski Trips ■ WWI Battlefields Tour ■ Cumbria Geography Adventure Visit ■ Football Development Programme ■ Geography Field Work ■ Drama Theatre Visits
Awareness Days and Festivals	Awareness days, weeks and one-off events are supported through our daily school form programme, lessons, as well as whole school staff training and charitable events.

Communication Between Home and School

EMAIL AND LETTERS

We operate an email-only letter service for communication between school and parents/carers. We will also use this system to send alerts and reminders. Therefore please ensure you provide an email address when completing our Admissions Pack.

Please note, it is the parents/carers' responsibility to ensure we have a valid email address on our system. If you need to update your email address, this can be done by emailing absence@southhunsley.org.uk or by contacting the main office.

INTOUCH

We operate a messaging service for school reminders and important communication, e.g. should we need to send reminders about school events or progress evenings. For emergencies the school will send texts to parents/carers. Please ensure you provide a mobile number when completing our Admissions Pack.

ARBOR PARENT AND PUPIL APPLICATION

Arbor is a school management information system which we will use to hold key information about your child including their timetable, attendance, contact information and safeguarding updates. Parents/carers will have access to the Arbor Parent Portal which is a simple way to communicate with the school, access the pupil's information, view payment history and more.

SURGERIES

We hold regular surgery sessions for parents/carers to meet with the Headteacher to discuss any aspect of South Hunsley life. Appointments need to be booked in advance. The calendar on the school website includes surgery sessions and you will also receive a letter a couple of weeks before the surgery providing information on how to book an appointment.

SCHOOL WEBSITE

Regularly checking the website will enable you to keep up-to-date with information and developments. School events and activities are recorded on the calendar which can be useful for keeping track of what is happening in school.

THE HUNSLEY WAY NEWSLETTER

This is sent to all parents/carers termly and provides updates from around the school and celebrates pupils' achievements.

SOCIAL MEDIA

Follow us on X @SouthHunsley for updates and news stories.

Marketing

South Hunsley School and Sixth Form run a number of events throughout the year including open evenings, awards ceremonies, careers fairs and school productions. We advertise and promote these events on our website and our X page.

We love to celebrate the achievements of our pupils, whether this is during lessons, while attending one of our many extra-curricular activities or even outside of school. Parents and carers are encouraged to share their child's good news by sending an email to marketing@southhunsley.org.uk or sending a post to @SouthHunsley.

We may ask for your permission to share the positive news with our wider audience through our social media platforms, newsletters or on the website.

At the time of admission, you will have selected marketing preferences on behalf of your child, including sharing their photograph or name online for publicity purposes. These preferences can be changed at any time by emailing marketing@southhunsley.org.uk

South Hunsley Curriculum

South Hunsley School is a part of The Education Alliance, a group of schools based in the East Riding and Hull. We are also an associate research school, working with the Huntington Research School in York.

These partnerships mean that our curriculum, and our teaching team, who design and deliver this curriculum, are working with the latest regional, national and international research and support. This helps to make sure our pupils end up leading happier and more fulfilled lives.

Our curriculum values are Learning, limitless Potential and strong Community.

Following on from our Key Stage 3 curriculum, our pupils in Years 10 and 11 have the opportunity to choose from one of the widest range of courses available to pupils in the region.

We are committed to supporting the government's ambition to see more pupils studying the EBacc subjects by 2025. This will mean that all of our new Year 7 pupils will study English Language, English Literature, Mathematics, Science, a Language and a Humanities subject alongside their other options when they reach Year 10.

LEARNING

Learning, not only for purpose but for its own sake

POTENTIAL

Limitless **potential** of people, always striving for distinction and high achievement

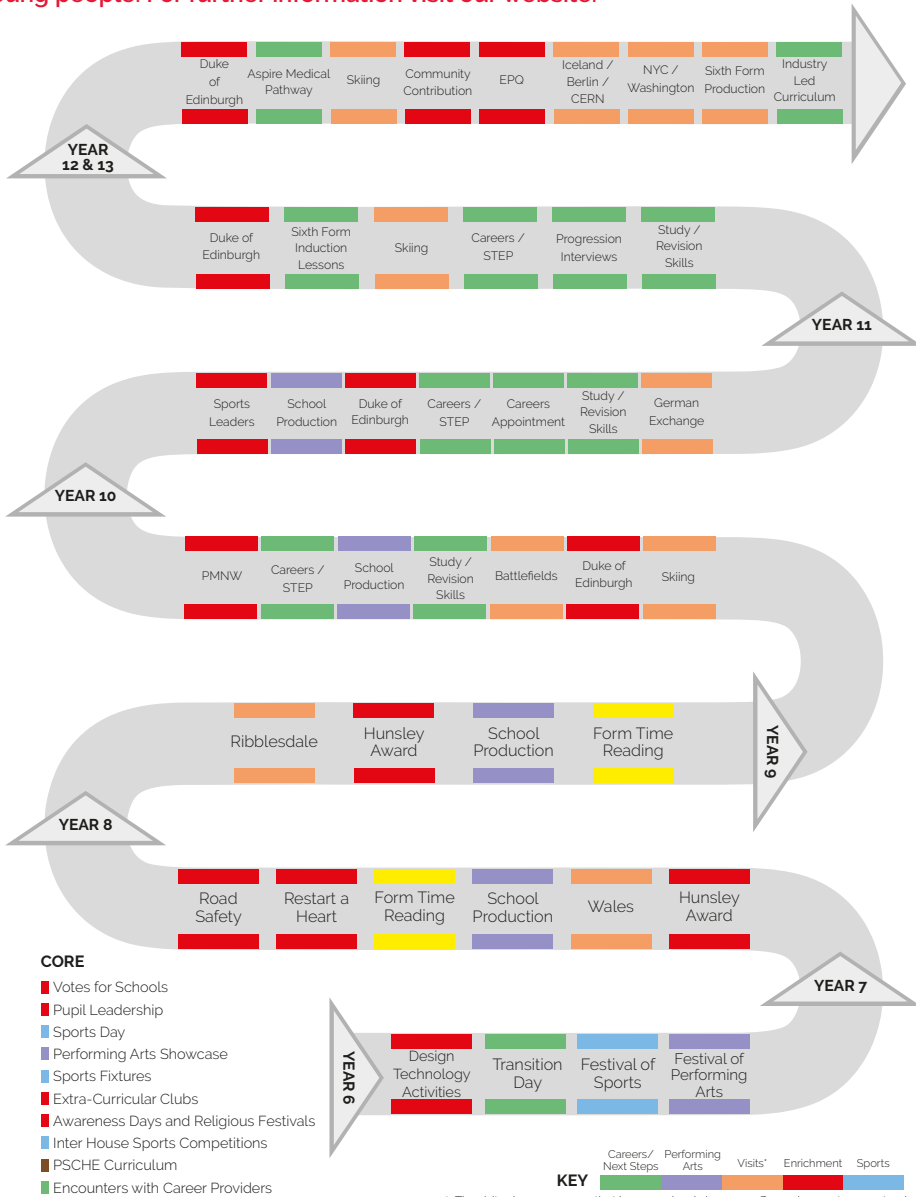

COMMUNITY

Strong **community**, taking collective responsibility for ourselves and others

Personal Development Map

We are proud of our commitment to offer all of our pupils the support they need to become positive contributors to their communities. Our personal development offer encourages, enables and inspires our pupils to be happy, healthy, safe and confident young people. For further information visit our website.

* The visits shown are ones that have previously been on offer and are not guaranteed.

What Will Your Child Study in Year 7?

Our Year 7 curriculum secures and builds on the prior learning of our new starters, using deliberate sequencing to develop deep knowledge, skills and understanding. It is designed and delivered by subject specialists who promote a love of learning and inspire pupils to want to know more about their subjects than can be taught in school.

Our curriculum encompasses all aspects of the National Curriculum but is designed to provide pupils with a much wider range of rich learning experiences both within and beyond the classroom. We offer a comprehensive personal development programme and a rich co-curricular offer.

Our core subjects are the pillars that support understanding, skills and success. These include English, Maths and Science as well as PE and Modern Foreign Languages.

Our foundation subjects provide pupils with the wider knowledge needed to support our future communities. These subjects are Art, Technology, Geography, History, Religious Studies, Drama, Music and Computing.

The success of a community is measured by the compassionate actions of its members. Our pupils learn about their local and global communities and they learn to understand and appreciate the many influences on modern society.

There are usually 12 tutor groups in Year 7. These are deliberately organised so that each has a mix of pupils from different primary schools and are not based on academic ability. Pupils are taught

in mixed ability groups for most subjects but are taught in ability groups in Maths.

WILL THE WORK BE DIFFERENT?

We make the transition to secondary school as easy as possible by introducing pupils to their new classrooms, staff and routines before they arrive in September. For most pupils it is an exciting time with opportunities to learning about new subjects in a more varied curriculum. The main differences your child will notice are:

- Rather than one main teacher, a larger number of teachers will teach your child, each of whom is a specialist in their subject area
- They will learn in specialist facilities including science labs, technology rooms, art studio and sports facilities
- They move around the site for their different lessons so that they can use the different facilities

Our aim is to offer challenging and demanding work to each child with due regard to their ability. We believe that this approach allows all pupils to fulfil their potential.

Homework

HOW WILL THEY BE HELPED TO ORGANISE THEIR HOMEWORK?

Children frequently worry about homework. We provide each child with a pupil planner so that they can record the tasks they have been set. Teachers also record homework electronically using Microsoft Teams. Pupils will be given access in the autumn term, and training on using the system is offered by the school.

THE EXPECTATIONS FOR HOMEWORK AT KEY STAGE 3 ARE:

Currently, core subjects will set a homework task once a week. The format of these are decided by individual departments, and the setting and deadline days will depend on each pupil's timetable. The work will be marked as per the school marking policy and pupils will be expected to reflect on any feedback and respond if this is deemed appropriate.

Foundation subjects have less timetable allocation than core subjects, and in many cases only one period per week, so the demands on pupil time and the marking allocation for teachers is different to that for core subjects. Foundation subjects will set homework when there is a specific learning purpose or an assessment focus.

It is not always possible or sensible for subjects to set written tasks. This is particularly the case for subjects like PE or Music. Occasionally, however, pupils will be set goals to practice skills or carry out research and teachers will check the completion of these set tasks, as well as use them to assess progress.

We know that many of our pupils use their time after school to pursue all kinds of sports and activities. We encourage all parents/carers and pupils to sit together and plan out a weekly schedule, balancing school work with hobbies and interests. Should you need any help with this, please contact the school.

SEND (Special Educational Needs and Disabilities)

We offer a range of interventions and personalised learning strategies to ensure every individual pupil's needs are taken into consideration and appropriate support is provided.

Our Learning Support Team works across the school in conjunction with other departments to deliver a range of support and interventions that include:

- Social skills programmes
- ELSA support
- The IDL Literacy programme
- Supported reading programmes
- In-class support
- Personal care programmes

The team liaises closely with a range of external agencies, such as the Sensory and Physical Teaching Service, to ensure individual needs are appropriately met.

On-site facilities for pupils with a sensory or physical disability include specialist shower and toilets, sound proofing, height adjustable tables, ramps and non-slip surfacing. All subjects can also be accommodated on the ground floor to support wheelchair users.

All applications for admission to South Hunsley from pupils with special educational needs are carefully assessed to ensure we have the necessary facilities and support in place to be able to provide a high quality programme.

Support

Safeguarding is of the utmost importance at South Hunsley. Each pupil has their Head of Year as their main contact for any concerns and the colleagues above are the key leads for Safeguarding and Child Protection within our school.

Inclusion is at the heart of everything that we do. We want all our pupils to have a love for learning; however, we realise that some pupils need this aspect of their school lives nurturing. We want all our pupils to reach their full potential, but we know for some pupils that practical help will be needed.

We also want our pupils to recognise their individual talents and abilities and achieve their goals. The Inclusion Team is comprised of a wide range of specialists who work together with parents/carers to help pupils achieve their best and feel included in all the opportunities on offer at South Hunsley.

The primary focus of the Inclusion Team therefore, is to constantly review how

we support our pupils and ask the most important question: what does this pupil or group of pupils need and how can we meet those needs?

We are proud to have accepted the Inclusion Quality Mark award and also attained the higher level of Centre of Excellence: an accolade that fewer than 300 schools across the country hold. We were first awarded in 2019 and have retained the title every year since. The IQM praised our day-to-day inclusive support, particularly during the period of national lockdown. This recognises the truly inclusive nature of South Hunsley School.

Eric Fell Learning Resource Centre

Opening Hours

The EFLRC provides a supervised study space for all pupils during the following hours subject to change:

Monday	8.30am - 5.00pm
Tuesday	8.30am - 5.00pm
Wednesday	8.30am - 5.00pm
Thursday	8.50am - 5.00pm
Friday	8.30am - 4.30pm

Please note the Library is closed between 1.00pm - 1.15pm for lunch.

The Eric Fell Learning Resource Centre (EFLRC) is situated in Humber building and provides a welcoming environment both for study and recreational use.

RESOURCES AVAILABLE

We have approximately 11,000 fiction, non-fiction and reference books available for pupils to access. Other facilities and materials available include: newspapers, magazines, DVDs audio books, laptops, photocopier and printer usage.

STATIONERY SHOP

The EFLRC offers a stationery shop where pupils can purchase any supplies they may need throughout the school day by using the Biometric system. Examples of items sold include: pens, pencils, pencil cases, art books, scientific calculators, compasses, protractors, rubbers, rulers and colouring pencils.

What Can You Do to Help Your Child?

Many parents/carers find it challenging to know how to help their child because education and guidance for young people changes frequently and quickly. However, all parents can make an important contribution to their child's schooling. Indeed we believe that only when parents, children and teachers work together can children reach their full potential.

You can:

- Set aside time to discuss the move from primary to secondary school with your child. They may have mixed feelings – keen to move to the next stage of their education but apprehensive about their ability to cope. Common worries for many children are lunchtime arrangements and travelling to and from school. Some pupils will miss their primary school and the comfort they took from knowing everyone and how everything was organised
- Make sure pupils are properly equipped for school each day by checking their timetable on the previous evening
- Check homework planners every night with your child and sign them each week
- Encourage children by being positive about their achievements
- Avoid term-time holidays
- Try to attend Progress Evenings
- Discuss the content of this booklet
- Label every item of clothing and equipment, wallets, etc.
- Ensure they pack their bag with any additional kit or equipment the night before
- Go through their timetable with them
- Make sure there is credit on their cashless catering account for their lunch if appropriate
- Try to ensure your child attends the Induction Day on **Thursday 27 June 2024** so they can meet their form group, tutor and make sure you can attend the parents evening on the same night

The Hunsley Way

EXPECTATIONS

- We arrive to lesson on time, in correct uniform and with the right equipment
- We follow instructions and we do as we are told by all staff - first time, every time
- We take full responsibility for our actions
- We show respect for pupils, staff and other members of the community
- We engage fully with our learning without disturbing others
- We listen carefully when the teacher or another person is talking
- We show good manners, (please and thank you), and we hold doors open for one another
- We walk around the school sensibly and quietly
- We follow the designated one-way system and keep to the left-hand side when walking through school buildings
- We respect our environment, the school site and we treat resources with respect
- We eat and drink in the right place at the right time
- We bring completed homework on time, every time
- We wait to be dismissed at the end of the lesson

Behaviour

HOW WILL THEY KNOW OUR EXPECTATIONS?

To allow the school to run smoothly and to give everybody who works at South Hunsley the chance to do their best, we have a Positive Discipline Policy. This sets out expectations which mean that over 2,000 people can work together happily. We place a lot of emphasis on a range of rewards, for example, house points, postcards and rewards.

The main expectations are:

- To promote a positive environment in teaching areas and around school where learning can be effective and staff and pupils feel safe and respected
- To minimise low level disruption so that the maximum amount of time is available for learning
- To encourage and develop a sense of personal responsibility and accountability by pupils and emphasise that they make clear choices regarding their behaviour
- To ensure that pupils are rewarded for the positive contributions that they make
- To communicate with parents quickly where significant positive or negative intervention has taken place

POSITIVE DISCIPLINE

Our positive discipline initiative seeks to promote, recognise and celebrate good behaviours and the important part it plays in academic success. It also has the purpose of challenging inappropriate behaviour. Your child will become accustomed to the language and ethos of our positive discipline policy as it underpins what happens in all lessons around the school.

WHAT SHOULD A PUPIL DO IF THEY ARE BEING BULLIED?

Pupils tell us that bullying is rare. The school has an Anti-Bullying Policy, which is available on the school website. If you suspect that your child is being bullied, inform the Head of Year. Try to give as much information as possible. Your child can report bullying to any member of staff, but we suggest that the form tutor or Head of Year are the best people to talk to about concerns around bullying.

The school uses a 'Confide' system which allows pupils to report any concerns confidentially from any computer at school.

Term Time Holidays

There is no provision in law for Headteachers to authorise an absence for the purpose of a term time holiday other than in a very limited set of exceptional circumstances outlined below.

Attendance at school is very important for your child's future as there is a clear link between attendance and attainment. Children who have higher levels of attendance achieve better. Even a few days absence can impact on a child's progress.

In line with East Riding of Yorkshire's Absence from School for Exceptional Circumstances, the Headteacher has a discretionary power to authorise absence in exceptional circumstances and evidence must be provided alongside the request form. Please note this is not an entitlement.

REQUESTS

Your request for your child's absence from school must fall into one of the following categories to be authorised. Without evidence, the Headteacher will not authorise your request.

- Service personnel returning from a tour of duty abroad where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with the school holidays
 - Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue
 - The death or terminal illness of a person close to the family
 - To attend a wedding or funeral of a person close to the family
- If a request meets these exceptional circumstances as detailed above, but falls within the following times, the Headteacher must be convinced that absence from school is the only option:
- The first half term of any academic year (applies to all pupils)
 - Year 9 options time (for pupils in Year 9)
 - At any time during Years 10 and 11 (for all pupils in these year groups)
 - Where a pupils' attendance is classified as persistent absence

South Hunsley Home School Agreement

We believe that children learn most effectively in a secure, happy environment, where both home and school work together to support the child during their education from 11-18 years. To strengthen the sense of partnership which already exists, we offer a partnership agreement to the parents of our new pupils.

- Support the school's Code of Conduct, including our Mobile Phone Agreement and good behaviour at all times
- Encourage a range of out of school interests
- Communicate with school if there is any matter of concern where we could benefit from information regarding home circumstances e.g. change of address
- Inform us when you know that your child will be absent, for example, medical visits
- Treat all employees of the school with dignity and respect
- Take family holidays during the school holidays
- Phone the school if your child is absent and provide a letter on the day of return after an absence

It is important in a rapidly changing world that children have a sense of security. This agreement is an attempt to add to that sense of security.

For your child to succeed, we need your support and agreement.

What Next?

PRIOR TO STARTING SCHOOL:

Fill in and return the Application Pack by Friday 10 May 2024	<input type="checkbox"/>
Fill in Biometric Consent Form	<input type="checkbox"/>
Apply for school bus pass (if applicable)	<input type="checkbox"/>
Prepare your child for Induction Day	<input type="checkbox"/>
Check your time slot for Induction Evening and attend	<input type="checkbox"/>
Double check how they are travelling to school and have a trial run if possible	<input type="checkbox"/>

UNIFORM/SPORTS KIT:

Jumper with school logo	<input type="checkbox"/>
Blazer with school logo (optional)	<input type="checkbox"/>
White loose fitting shirts with stiff pointed collar	<input type="checkbox"/>
White T-Shirt Base Layer (optional)	<input type="checkbox"/>
House ties will be issued on their first day	<input type="checkbox"/>
A-line, knee length skirt (non-stretchy fabric) and/or formal, smart trousers which meet socks	<input type="checkbox"/>
Plain black socks/tights or flesh coloured tights	<input type="checkbox"/>
Plain black polishable or leather look shoes	<input type="checkbox"/>
Royal Blue T-shirt (PE/Games)	<input type="checkbox"/>
Royal Blue ½ Zip Training Top (optional)	<input type="checkbox"/>
Navy Shorts	<input type="checkbox"/>
Navy leggings (optional)	<input type="checkbox"/>

Royal Blue Long Socks or White Sports Socks	<input type="checkbox"/>
PE base layer (optional)	<input type="checkbox"/>
Studded or moulded stud football boots for hockey, football and rugby	<input type="checkbox"/>
Supportive sports trainers with a non-marking sole (for all other sports activities)	<input type="checkbox"/>
Ensure their uniform is labelled with their name	<input type="checkbox"/>

STATIONERY:

Pens (Black, Blue, Green)	<input type="checkbox"/>
Pencil, Rubber & Sharpener	<input type="checkbox"/>
15cm or 30cm Ruler	<input type="checkbox"/>
Whiteboard Pen	<input type="checkbox"/>
Pencil Sharpener	<input type="checkbox"/>
Glue Stick (optional)	<input type="checkbox"/>
Colour Pencils	<input type="checkbox"/>
Pair of Compasses	<input type="checkbox"/>
Scientific Calculator	<input type="checkbox"/>
Pocket Dictionary	<input type="checkbox"/>
Strong large bag, preferably a backpack	<input type="checkbox"/>

FIRST DAY OF TERM:

Ensure they are wearing correct uniform and carrying a water bottle	<input type="checkbox"/>
Make sure their bag is packed with the correct equipment	<input type="checkbox"/>
Make sure they are at school by 8.30am at the latest at the tennis courts	<input type="checkbox"/>

The South Hunsley Partnership

The transfer arrangements outlined on the previous pages help children to adjust socially, but as a group of schools we are committed to a successful transfer in an academic sense. The South Hunsley Partnership consists of eight primary schools, St. Anne's School and South Hunsley School and Sixth Form. We work together very closely in order to provide continuity of learning from the age of 5 to 18. There are a number of ways in which we are seeking to link our teaching and learning.

- Testing is carried out in Year 7 so that we have an accurate indication of each child's skills, e.g. mathematical and verbal
- A transfer document is completed for each child. This provides educational and social information
- Subject teachers meet to discuss curriculum matters
- We share resources and organise joint staff training
- There is an agreed curriculum structure across the primary schools
- In the primary schools the pupils have been studying a foreign language from Year 3, liaising with South Hunsley modern foreign language department
- We share a number of policies, e.g. Curriculum Aims, Child Protection and Special Educational Needs
- The Headteachers of the "South Hunsley Partnership" meet regularly to discuss the curriculum, share ideas and undertake joint planning

South Hunsley Sixth Form

Although it may seem a long way off, choosing where to study after your GCSEs is a big decision that is years in the making. The choices that your child makes in their early secondary school years can mould their future from Key Stage 4, post-16 options and beyond.

At South Hunsley, we'll do everything we can to help our pupils achieve their ambitions, particularly if they are looking to stay on to join our Sixth Form.

We can offer a valuable and enjoyable Sixth Form experience with a variety of subjects, outstanding teaching, great facilities, plenty of work opportunities and lots of enrichment and social activities. Students will also benefit from learning in a familiar environment with teaching staff who have been there for every step of their journey.

South Hunsley Sixth Form also offers a wide range of both UK and overseas trips for students. Trips to New York, Germany and Iceland are all included in the Sixth Form calendar, plus there are plenty of theatre trips, art exhibitions and university visits to take part in. These often link to their studies, but also allow them to broaden their horizons and share new experiences with friends.

INDUSTRY-LED CURRICULUM

We had launched a new curriculum to help bridge the gap between education and employment. This will ensure that our students not only leave us with an excellent set of exam results, but also the highest level of employability and technical skill to compete nationally and globally.

Students in Year 12 will be able to engage in a number of industry-led enrichment opportunities, which aim to put employability skills development at the heart of the curriculum. This means students not only leave us with excellent academic qualifications but also the skills and qualities needed to succeed as a university graduate or higher-level apprentice in the future.

85%

of students were successful in being placed at their 1st choice university with a high percentage accessing Russell Group universities

80%
of Year 13

Higher
Education

The teaching and support at South Hunsley has been invaluable in helping me attain such a successful set of results.

The Aspire Medical Pathway workshops and guidance had an incredible impact too which I'll always be forever grateful for."
