Event Information:

Hosted by the University of Hull, this live online webinar will cover information about the Student Finance loans system available to students going to any university across the UK. We'll cover everything from what the loans are, how to apply for them and repayments. Questions are welcome during a live Q&A at the end of the event

Once you have registered you will receive a confirmation email containing information about joining the webinar. Even if you are unable to attend this virtual event, please register as you will receive a recording of the session afterwards.

This will be an invaluable and informative session for parents and students alike and I look forward to 'seeing' lots of you there. We will send out a reminder closer to the event.

Yours faithfully

Mr Paul White
Director of Sixth Form – Student Experience
