Dear Parent/Carer

Re: Year 10 Kathryn Burn Apprenticeship Style talk.

The Careers department is pleased to announce that all year 10 students will participate in a talk given by Kathryn Burn, founder of Pyjamily and BBC Apprentice finalist 2022. The date of the talk is Monday 6 March 2023.

The talk will be part of the 'Careers Week 2023' celebrations and we are delighted that our students will hear from a leading entrepreneur who will share her experiences of the real world of business and the challenges she overcame. She will talk to students about her journey, how she got to where she is today, and how they can reach their full potential. She will also touch on how to pick yourself back up when things don't go to plan and how to keep a positive mindset in the toughest of situations, as well as revisiting on her time on The Apprentice.

Kathryn Burn will be offering two further smaller sessions with a select number of students on the day, if your child has been selected for either of these we will contact you separately. We hope your child will enjoy this amazing opportunity and we are very much looking forward to welcoming Kathryn Burn to South Hunsley.

Yours faithfully
