

To: All Parents/Carers of Year 12 Geography students

Our Ref: 87418294

9 February 2023

Dear Parent/Carer

Re: Year 12 Hull University Geography Visit

The Geography department is pleased to be able to offer your child the opportunity to participate in a visit to Hull University. The provisional date of the visit is Wednesday 8 March 2023. We will be leaving school at 11.30am and returning for 3.20pm.

The purpose of this visit is for students to learn more about Geography, Environmental Science and Marine Science at university level. This will give students an insight into higher education and a broader knowledge of these topics. This will give context to the Geography topics studied in school as well as helping to connect these to real life learning.

As students are attending a Geography visit to Leeds on Monday 6 March 2023 we will not require an additional medical form to be completed for this visit. However, if there are any changes you feel we need to be aware of please contact me at school.

As a school we work to ensure that the costs of all our visits are minimised, so that as many students as possible can take advantage of these valuable learning experiences. In this case this visit is free for students to attend, lunch will also be provided for all students on the visit.

If you would like your child to attend this visit then please complete the attached slip and return it to Mrs Allison by 27 February 2023.

Yours faithfully

Mary Allison
Subject Leader for Geography
