13 March 2023

Dear Parent/Carer

Re: Therapy Dog Visit

On Wednesday 15 March, MIND practitioners will be available throughout the day to offer support and/or advice for mental health and wellbeing. Alongside this, we are welcoming a visit from an NHS trained and working therapy dog and his handler, to meet and interact with the students during break time and period 3. We have a list of students with declared allergies to dogs to ensure they are not brought into contact with the therapy dog, but if there are any students not wanting to meet the therapy dog for any other reason, please email wellbeing@southhunsley.org.uk

We hope that the activity will be enjoyable, whilst also helping to positively impact our students' wellbeing and mental health.

Yours faithfully

Stephanie Morton
House Leader of Hercules
