

THE HUNSLEY WAY

As the spring term comes to a close, I am delighted to share with you a variety of achievements and updates from across our school community. It's this sense of community that features strongly in this edition, of which I am immensely proud of. It forms one of our three core values and is such a crucial factor that makes South Hunsley such a special place to belong to.

During the past week we have seen the best example of this as we came together to pay tribute to the lives of Mason and Thomas through our memorial football matches and fundraising events. On both occasions the community spirit of empathy, care and support for each other was overwhelming and was a

great example of the healing power and comfort that a community can bring. I know that our students and the community we serve will build on this as we continue to support the families, friends and all those affected by the sad loss of Mason and Thomas. As we have said previously, reaching out for help and support is a

strength, not a weakness, so please do not hesitate to contact any of our pastoral team should your child, yourself or anyone who has been affected need any support.

**From us all at South Hunsley,
have an enjoyable, relaxing
and happy Easter**

Mr R Williman
Headteacher

MUSICAL MAYHEM Thursday 2 and Friday 3 March

South Hunsley School and Sixth Form presents Musical Mayhem – a celebration of the last decade of singing, dancing and acting in a range of well known classics from stage and screen.

The show opened with a rendition of *Consider Yourself* and *I'd Do Anything* from *Oliver!* a 1960s musical based on a novel by Charles Dickens.

Next on the bill was *Fame*, a musical film about a New York High School for Performing Arts. Our students performed the well known hits *Fame* and *Hard Work*.

The show continued with a scene from the musical homage to 80s megaband Queen titled *We Will Rock You*, with songs *Radio Gaga* and *Seven Seas of Rye*.

Horror comedy rock musical *Little Shop of Horrors* was next up, a story about a florist worker who raises a plant that feeds on humans. The ensemble performed *Dentist* and *Don't Feed the Plants* from this Broadway production.

A rendition of the 1965 classic *The Sound of Music* treated the audience to popular songs *So Long*, *Farewell*, *Do Re Mi* and *My Favourite Things*.

The show continued with an extract from *The Wizard of Oz*, with our performers singing *Somewhere Over the Rainbow* and *We're Off to See the Wizard*.

Following a short interval, students sang *You're in the Band* and *Stick it to the Man*, rock hits from *The School of Rock* – a stage rendition of the 2003 movie.

Next on the bill was *Grease* with *Summer Nights* and *We Go Together* – a coming of age classic that has stood the test of time.

Our Sixth Form performers showed their spooky side with songs from stage adaptation

The Addams Family, with *When You're an Addams* and *Pulled*.

The show closed with *High School Musical*, the aptly titled musical film that has been a favourite with younger audiences since 2006. The whole ensemble joined together to perform *Stick to the Status Quo* before finishing with *All In This Together* – a high energy dance hit which had the audience bopping along too.

We are so proud to see how far the students have come and we look forward to hearing where the Arts will take our performers in the future.

Thank you to all student performers, student helpers, staff and parents who were able to make the show a success. We can't wait for the next feature!

PERIOD PRODUCTS

Friday 3 March

A small group of Sixth Form students have been busy working with Miss Mooney to pack up period product boxes for around the school site. The items will be free to take, as well as available to order via an online form from the school website if needed.

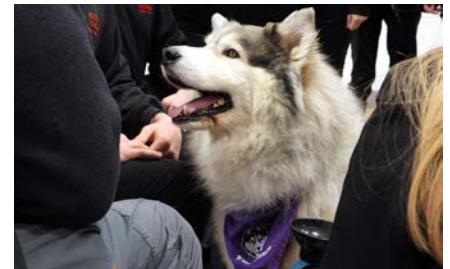

ORION CHARITY

Friday 10 February

Orion House raised over **£2,562** for their nominated charity in 2022. The funds were donated to the Teenage Cancer Trust, caring for and supporting young people across the UK who have been diagnosed with cancer.

Thank you to anyone who was able to make a donation or helped with the fundraising efforts last year.

THERAPY DOG

Wednesday 15 March

Therapy dog Thunder joined our Year 11 students this term as part of a wellbeing activity to help boost their mental health during a potentially demanding exam study period. Thunder is a Husky who has been working as a trained therapy dog for the last 6 years, visiting people in schools, care homes, hospitals and many more.

THANK YOU FOR BEING AMAZING!

Together, we've raised an incredible

£704

for Red Nose Day 2023

Red Nose Day is an initiative of Comic Relief, operating name of Charity Projects, registered charity in England & Wales (252556) and Scotland (SC033750) and company limited by guarantee registered in England & Wales (01806416), registered address 89 Albert Embankment, London, SE1 7TP. EASTER FAIR & CHARITY FOOTBALL MATCH

Friday 24 March

Students and staff enjoyed a fun-filled event including a bake sale, raffle and games. Local companies and traders from the community very kindly gifted a large number of raffle prizes such as hampers, gift vouchers, free tickets and many more. Students were given the opportunity to win a prize for a basketball dunk, guessing the teachers from their baby photos and beating the teacher in a maths-based puzzle.

As well as donations, a very large number of baked goods were kindly provided by parents and families of students for the bake sale - of which all were sold out completely by the end of the lunchtime break!

Four teams of Year 9 students also took part in a football tournament during the fair, competing for the Clarkson-Carter Cup. All teams played brilliantly in front of a large crowd of their peers and gave their best performance to achieve the win. In the end Team 2 emerged victorious and were given the Clarkson-Carter Cup by Mason's mum, who came along to watch the match along with other family members.

The Sick Children's Trust is the charity that gives families one less thing to worry about by giving them a place to stay, and someone to talk to, free of charge just minutes from their child's bedside. Eckersley House is one of ten 'Homes from Home' that supports families from around the UK each year.

The event was run in celebration of the life of South Hunsley student Mason Clarkson-Carter who stayed at Eckersley House. **The total amount raised reached over £6,500, all of which will be donated to the charity.**

OVERALL TOTAL HOUSE POINTS (MARCH)

HOUSE POINTS

Each week the House Point system is calculated and populated throughout the school, based on punctuality, attendance and behaviour.

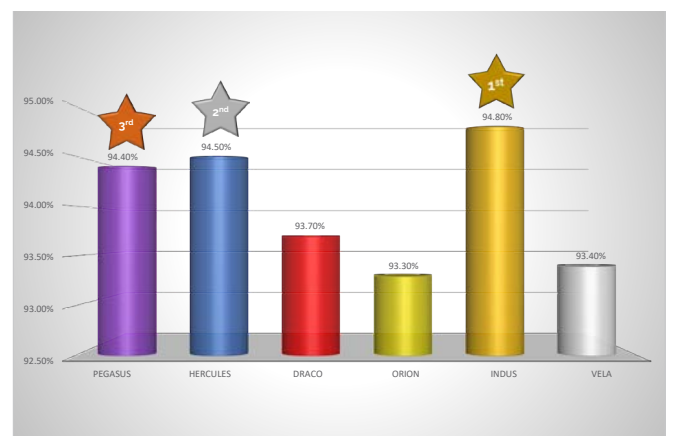

High scoring Houses can swap points for prizes and nominated students that have shown good behaviour are awarded with Star of the Week, where they receive a free breaktime snack and even a prize draw for a Nando's voucher for Year 11.

PUNCTUALITY

BEHAVIOUR

ATTENDANCE

MILLIE AND LILY

Monday 27 February

South Hunsley students Millie and Lily took part in the Cottingham Musical Festival, competing in singing, duet, choir and piano rounds.

The pair entered a total of 15 classes and finished in 1st place an impressive 11 times. Millie and Lily never placed lower than the top three positions, coming in 2nd place twice and in 3rd place twice. They walked away with a number of trophies to commemorate their wins. Congratulations to Millie and Lily!

UKMT MATHS CHALLENGE

Monday 6 March

Three of our Year 10 students recently completed the UKMT Intermediate Maths Challenge which encourages mathematical reasoning, precision of thought and fluency in using basic mathematical techniques to solve interesting problems. Evie, Eugene and Muhammad all achieved a Gold certificate and have qualified for the follow-on round Intermediate Kangaroo which takes place later this year. Well done and good luck!

FRANCESCA

Wednesday 16 March

Year 12 student Francesca has been cast in a web series called Circle North, currently filming in Leeds. The series will be used in schools around the country as part of Community and Person lessons, with each episode having a different meaning to educate teenagers about a number of important discussion points.

Congratulations to Francesca, we can't wait to see it.

MATTHEW

Year 12 student

Congratulations to Sixth Form student Matthew for being cast in the Hull Truck Theatre original performance this week. The show *All the Houses are Sinking* is running from **Thursday 30 March to Saturday 1 April** and is described as "*bold, thought-provoking and contemporary*" www.hulltruck.co.uk/whats-on/drama/the-houses-are-sinking Break a leg!

ABBIE

Friday 10 February

We were delighted to learn that Abbie of Draco House has placed 4th out of 21 in Non ISU Open National 5 Girls ice skating competition. This win comes shortly after Abbie achieved her British Ice Skating Skills 6 Test with flying colours. Abbie has been skating from a young age and has no intention of stopping any time soon!

HENRY

Tuesday 13 March

Congratulations to Year 10 Draco student Henry for winning the 1st place Junior trophy in the European Open Beach Championship in March. Henry's winning cod weighed in at an impressive 1890kg. If he had entered the Senior Competition instead he would have been in 7th place out of over 200 anglers, which is a fantastic achievement.

GEORGE

Tuesday 21 February

George has been competing in the Spring Yorkshire Swimming Championships in Leeds and Sheffield this term, which was a huge achievement. George also became a 13 times Yorkshire finalist including a Silver and Bronze medal in the 100m and 50m Butterfly. He is currently ranked 8th in Great Britain for his 50m Butterfly! His next step is the North East Regional competitions in Sunderland in April and May and to continue to remain on track for the Regional Pathway Programme once he is old enough.

STAN

Wednesday 15 March

We were delighted to learn that Year 11 Orion student Stan is heading to the UEFA European Under 17's Championship Finals in Hungary along with the rest of the Republic of Ireland Under-17's football team, following a 3-2 win against Cyprus.

EDIE

Friday 24 February

Congratulations to Year 11 Vela student Edie for receiving offers for professional dance training from every dance school that she had auditioned for. The training will start in September, we wish Edie the best of luck.

NICOLE AND CHLOE

Thursday 16 March

Congratulations to Draco students Nicole and Chloe for completing the ice skating 22/23 season with two 2nd places and two 1st places. Sisters Nicole and Chloe are both members of the Hull based Northern Starlets Synchronised Ice Skating team. They finish the season as the current Trophy D'Ecosse holders and Steel City Intermediate champions. Well done!

MEMORIAL FOOTBALL MATCH

Thursday 30 March

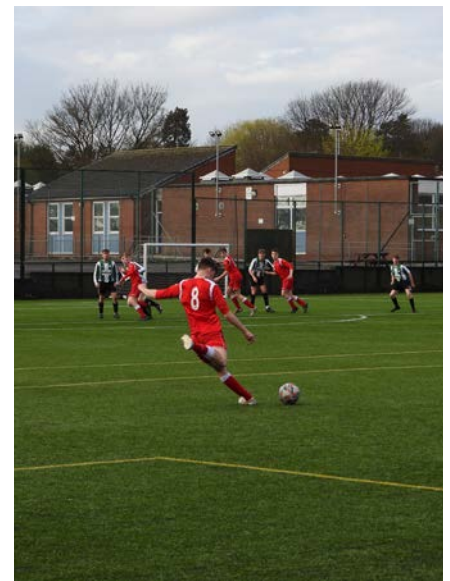

South Hunsley Sixth Form hosted the first instalment of the newly formed Tom Dennett and Jack Stabler Memorial Cup football match against Driffield School, kicking off on Thursday 30 March.

A team of students from each school went head to head to win the coveted Cup in front of a busy crowd of supporters watching from the side-lines.

The game was held in honour of students Tom Dennett and Jack Stabler, both of which were students at their respective schools and tragically passed away unexpectedly last year. Tom was a keen sportsman and football fan, so many of his former schoolfriends and teammates from Sixth Form joined to face a strong Driffield School's under 19s side in the charity match held on the 3G Pitch.

At the end of the match the final score came to 1-1, meaning both schools will share the Memorial Cup.

Thank you to all who came to support or helped with organising the event, if you'd like to donate to the Memorial Fund click [here](#).

YORKSHIRE THREE PEAKS CHALLENGE

Wednesday 31 May

As well as the match, Tom's friends are taking on the Yorkshire Three Peaks Challenge on 31 May, raising funds for the Thomas Dennett Memorial Fund.

Their GoFundMe page can be found here:

www.justgiving.com/crowdfunding/toms-friends

FIRST AID

Tuesday 7 March

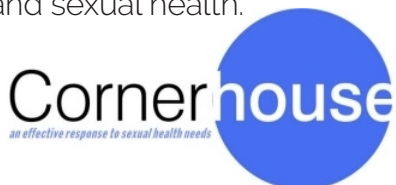

A group of Year 13 Sixth Form students took part in an emergency first aid session as part of their Community and Person day in March. They were shown how to use a defibrillator as well as carrying out CPR on dummy models.

COMMUNITY & PERSON DAYS

**Tuesday 7 –
Wednesday 8 March**

Year 12 students attended a range of sessions focusing on personal finance, well-being and LGBTQ+ awareness. Representatives from Cornerhouse also spoke to our Year 12 students about consent, healthy relationships and sexual health.

Year 13 students attended sessions focusing on a range of topics including personal finance, and employment rights and responsibilities. Students also took part in a practical first aid workshop as well as a workshop led by MIND on coping with exam stress.

ALUMNI LYDIA

Thursday 2 - Saturday 25 March

One of our Sixth Form alumni students Lydia has been featured in the local news to promote her brand new stage show *Mumsey*, playing at Hull Truck Theatre.

The comedy drama ran from **Thursday 2 March - Saturday 25 March** and will tell the story of a third generation single mum navigating friendships, drama and family relationships. Click [here](#) for an syndicated interview by Hull Truck Theatre.

WORK EXPERIENCE

Thursday 16 February

Over the half term holiday, a group of Year 12 and 13 students took part in a work experience session at Bonus Arena. Originally due to be in person, the session was moved online as the arena is being used for filming of *The Blitz*. They will be returning in the Easter holidays to continue their work experience in person as normal. We spoke to two students to find out how they got on.

There were a group of five students in total who were split into two teams to come up with marketing strategies for a chosen event and presented the ideas at the end of the session.

Isobel is a Year 12 student and is studying Business, Sociology and Geography and is interested in the

marketing element of business. She felt that the online experience gave her a good introduction but found it difficult to adjust to the virtual session. Being the only Year 12 student she felt a bit daunted at first but soon felt more comfortable therefore, making a lot easier when she goes to the venue.

Year 13 student, Jacob and is studying Sports Business Management and because there is a lot of event management and marketing within his course he felt the work experience at Bonus Arena was ideal.

Both Isobel and Jacob were in the same team marketing Jimmy Carr, they came up with several ideas and the marketing department at Bonus Arena were very

impressed with the ideas that were put forward. Their favourite parts of the tasks were working in a team, researching events, being creative and using their strengths for each element of their presentation,

Both students felt that it was a great taster for what's involved in event management and marketing. They felt it gave them some good skills to carry forward in the future, and are really looking forward to going back in Easter.

Hopefully we will see them working in their ideal careers in the future, Isobel working in crime agencies or secret services and Jacob working in marketing for his favourite team, Hull City!

INTERNATIONAL WOMEN'S DAY

WEDNESDAY 8 MARCH 2023

WHO INSPIRES OUR TEACHERS ?

MRS LARTER

BARBARA HEPWORTH

Firstly she was a Yorkshire woman, beginning her artistic life by studying at the Leeds School of Art in 1920 and graduating from the Royal College of Art in London.

She was extremely ambitious, an activist and proud of her Yorkshire roots. She did all this as a wife and mother, all the while never losing her own vision of becoming a successful sculptor.

And I can say her tenacity has also spurred me on in my own career as an artist, also a proud Yorkshire woman, a wife and mother too. I recently received an ultimate recognition of my own artistic practice, I have been nominated for an award. And it comes from an associate of Barbara Hepworth too. I have won a Henry Moore Artist Award recently which was given to me by The Henry Moore Foundation in Hertfordshire.

MR THOMPSON

MY MUM

She pretty much single-handedly raised me during my teenage years at the same time as working as a teacher focused on students with behavioural problems. She has been a constant source of support as a mum and as an amazing granny to my little boy. I genuinely don't know where I would be or what I would do without my mum!

MISS BOWER

SOPHIE SCHOLL

Because she stood up to the Nazis. She was a German university student and a member of the anti-Nazi group the White Rose. She was convicted of high treason after having been found distributing anti-war leaflets at the University of Munich with her brother, Hans. As a result, they were both executed. On trial she said: *"Somebody, after all, had to make a start. What we wrote and said is also believed by many others. They just don't dare express themselves as we did"*

MISS MOONEY

DOLLY PARTON

Dolly set up a charity to help children read by sending every child a book in the USA from birth to aged 5 regardless of family income. This is done monthly and isn't just in the USA. She sends them to the UK also. Every month her charity sends out 2 million books. My niece is 3 and is beside herself every month when Dolly sends her a new book. She is amazing!

MISS DIGARD

KATE RAWORTH

Because she shows how systems thinking has the power of reframing outdated and harmful narratives. Kate uses her brain and her background in economics to rewrite so that it's fit for tackling the 21st century's grand challenge of meeting the needs of all people within the means of the planet.

DR BULLIVANT

ANNEMIEK VAN VLEUTEN

One of the best cyclists in the world right now. She only took up professional cycling at 26 and won the 2022 Woman's Tour de France at the age of 39. Other recent achievements include the 2021 Olympic title trial-; four rainbow jerseys -two ITT Worlds (2017, 18) and two road race titles (2019 and 2022)-; three Giro Rosa overall victories (2018, 19, 22).

SEND COFFEE MORNINGS

We are pleased to announce the launch of SEND Coffee mornings/afternoons. These sessions give parents/carers the opportunity to meet the SEND Team at South Hunsley and network with other parents/carers in a relaxed and informal environment. The first sessions have ran successfully and further events throughout the year will be sent to parents for them to book a place.

BOCCIA

A group of six students took a trip to Hull University to represent South Hunsley at the Boccia Championships earlier in the year. The event was set up to help increase participant levels in SEN sport and hosted a number of schools from the local areas.

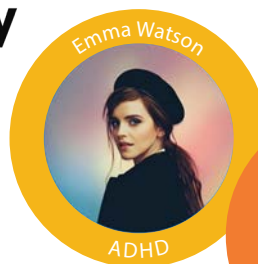

The students were split into two groups of three – Team 1 finished in 3rd place and Team 2 finished in 4th place.

Neurodiversity Celebration Week

13 - 19 March, 2023

Neurodiversity Celebration Week is about celebrating the strengths and talents of people who are autistic and people with learning differences.

Emma Watson

ADHD

Greta Thunberg

Aspergers

Keira Knightley

Dyslexia

Daniel Radcliffe

Dyspraxia

Billie Eilish

Tourette Syndrome

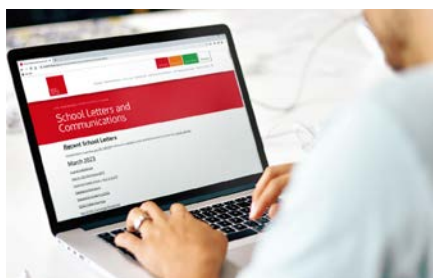

NEURODIVERSITY CELEBRATION WEEK

We proudly supported Neurodiversity Celebration Week this term, a nationally recognised celebration of the strengths and talents of people who have neurological differences. Students took part in an assembly led by Mrs Savoury to discuss being kind and considerate, and how we can have a positive affect on someone who is different or is finding something difficult.

DISABLED PARKING BAYS

In recent weeks there have been several concerns raised over access to our disabled parking bays and them being used by those who do not have accessibility issues. We would like to remind all visitors and staff to only use these if you have a blue badge or have had their use agreed by HR.

SCHOOL LETTERS

Don't forget that many of the letters we send to parents and students can be found on our website and accessible any time: southhunsley.org.uk/parent-information/school-letters-and-communications

Please ensure the email address 8114056@sims-communications.co.uk is authorised by your email account to ensure you receive all relevant communications.

APPRENTICESHIP PREPARATION PROGRAMME

Those who wish to apply for an apprenticeship or traineeship are invited to join our Apprenticeship Preparation Programme.

Our Apprenticeship Preparation Programme launches at the start of every academic year. Those students who are considering applying for an apprenticeship can benefit from:

- A fully certified Employability Skills Development Programme with Be Ready
- On-line and in-school masterclasses with local employers
- Employability Skills Development Seminars with PUSH Education
- An opportunity to register and apply for our Industry Mentor Scheme
- Personal CV & Application advice from our Apprenticeship Providers HBTC, Compass, Hull Adult Training etc.
- Search and Apply workshops
- One-to-one Search and Apply appointments with key staff

Please contact careers@southhunsley.org.uk for more information on the programme.

NATIONAL

APPRENTICESHIP

WEEK™

2023

SPEED NETWORKING

Tuesday 7 February

Over 18 employers from Hull and the surrounding areas joined us at South Hunsley for a Speed Networking event for Year 12 and 13 students.

As part of National Apprenticeship Week, our careers team hosted the event to build important business connections and give the students an opportunity to discover more about life after education. Each student was given a few minutes with each employer before moving onto the next one, with extra time at the end of the session to pick up where they left off with the employers if they wanted to. Thank you to the local businesses for taking the time out to come along to the event and thank you to the students who took part.

SWIFT CARAVANS

Friday 10 February

A group of Year 11 students were invited to Swift Group Ltd in Cottingham for a behind the scenes look at the manufacturing and engineering sector. Students were taken on a site tour, engaged in a presentation about apprenticeships and heard from industry leaders in a practical workshop.

IT'S NATIONAL CAREERS WEEK 2023

KATHRYN BURN

Monday 6 March

The Apprentice 2022 finalist Kathryn Burn joined us at South Hunsley to share her knowledge and experience of business with our Year 10 students as part of National Careers Week.

Kathryn Burn finished in 2nd place in the BBC boardroom TV show The Apprentice, having the opportunity to pitch her online fashion retail business to Lord Sugar and his associates. Five years ago Kathryn launched My Christmas Pyjamas, a matching pyjama company for families that ran

between September and December each year.

Kathryn spoke of her humble beginnings, having started My Christmas Pyjamas with just £50 from her home. The company soon grew enough that Kathryn was able to use a fulfilment centre who packaged and delivered her products on her behalf, which meant she had more freedom to work on other projects. In February 2022 Kathryn launched Pyjamily, an online store where families can buy matching sleepwear all year round.

Having tried a number of different career paths such as events management, working on cruise ships and training as a mortgage advisor, she ultimately wanted to have a more rewarding and flexible role which allowed her to be her own boss.

Students were able to take part in a Q&A session after the talk, as well as a select few being chosen to take part in a series of Apprentice-style tasks with Kathryn to learn more about business acumen, please read more overleaf.

THE APPRENTICE-STYLE WORKSHOP

Monday 6 March

A group of 17 students were picked to be involved in this unique opportunity to be involved in an Apprentice-style workshop. The task set was to come up with a new technology product that didn't already exist and is scientifically feasible. They had to come up with brand name, logo, strapline and

30 second commercial and present the idea to the rest of the group.

They were split in to three teams and had limited time constraints to think of a concept idea, choose a team name and decide who was Project Manager and Sub Team Leader. They were then divided in to their sub teams and couldn't

collaborate again until the meet up to discuss the presentation.

They did really well with conveying their ideas and collaborating together in a group. Each team came up with excellent ideas that were commercially viable and could benefit the community. They thought about their USP, target markets and revenue generation for their products. Presenting their ideas and answering questions afterwards.

Congratulations to the winning team **Connectivity** who Kathryn said *"were very comprehensive with a well thought out product"*.

HULL UNIVERSITY

Thursday 9 March

A group of 30 students from Year 9 attended a Careers Day at the University which showcased potential career routes and industry pathways in Business, Engineering, Media, Film Studies, Games and Graphic Design including graduate skills and opportunities.

NEWCASTLE UNIVERSITY

Thursday 9 March

Sixth Form students were invited to attend an informative talk by a representative of Newcastle University to discuss all aspects of university life, including financial options.

NATIONAL CITIZEN SERVICE – 5 DAY PROGRAMME*

NCS is an opportunity that helps 15–17-year-olds (Year 11 and 12) to build skills for work and life, take on new challenges, meet new people and make a difference in their local community. 750,000 young people have already completed the programme and are out there reaping the benefits of taking part.

The South Hunsley careers team are supporting the development programme and inviting students to partake in their 'away from' experiences - five-day, four night residential trips where young people will be able to try new activities and learn new skills. To find out more about the programme click [here](#)

The sign-up process is just three short steps away.

Step 1: Choose your hub site - visit wearencs.com to find a location for your programme.

Step 2: Choose your theme - we have 3 different programme themes to choose from:

Step 3: Choose your dates.

* NCS does have a fee attached of £95, so this will also need to be paid to conform your place on the programme. Please note: if your child is entitled to free school meals or is a pupil premium student, then they can receive a bursary and will get a place on programme for FREE.

THIS PRECIOUS TONGUE I POSSESS

Does anyone sit and wonder
If they will ever have a pivotal moment
In their lifetime?
Well, mine was when
I conquered the Urdu language
Of my beloved Pakistan.
Now, my dad always says
That before this story I am about
To tell you occurred,
I never articulated this tongue
So come with me,
And listen how this came to be:
Way back before
When I was only at the age of seven
I moved to our blessed country of Saudi Arabia
Which is part of my wonderful world.
I started to study in an extraordinary Pakistani school
And of course,
Urdu was no one's lingo
But it sort of was for me,
As I had only heard my family
Speak the certainly up to mark words
In front of me.
Once I was habituated to the lifestyle
Of frequent pilgrimages with a distance
Of only 4 hours,
I said my first sentence of the language
Which I have kindly
Translated for you,
"I cherish you much"
And we all laughed together with
Glee.
This eventually formed the tongue that I could fluently
Speak to you right here
And now.

*With thanks to Year 9 Pegasus student Bilal
for his original poem*
