4 May 2023

Dear Parent / Carer

Re: UCAS Discovery Convention – University of Hull

On Wednesday 28 June 2023, UCAS will be holding their annual UCAS Discovery convention at the University of Hull. Although the Sixth Form does not directly organise the trip on behalf of students, we do actively support any student who wishes to attend.

At the event, students will have the opportunity to meet over 100 universities, colleges and apprenticeship employers face-to-face; find out more about the different options and pathways; listen to expert talks; get the latest advice and information on different career choices.

If your child would like to attend the event, please sign up by using the following link:

<https://www.ucas.com/registration/register/event/419751>

Once they have registered for a place, the school does require evidence of their enrolment, so it does not affect attendance. They will need to forward the confirmation email to myself prior to the event.

If you have any questions, please do not hesitate to ask.

Yours faithfully

Paul White
Director of Sixth Form
