**Re: The University of Hull Higher Education Day 30 June 2023**

Dear Parent / Carer

We are writing to remind you that our visit to The University of Hull on Friday 30 June 2023 is fast approaching. The visit is a compulsory part of our Careers Education, Information, Advice and Guidance Programme. This is an amazing opportunity for students to learn more about what university life is like, and the degree apprenticeships that are on offer.

Please remember that each student needs to have their offsite medical form completed and returned by the 23 June 2023 at the very latest (<https://forms.office.com/e/w21e1uWf7A>). This form is essential for ensuring the safety and well-being of our students during the visit.

Please could you stress to your child that this visit is mandatory for all our students. It will provide them with useful and valuable information that will help them to make important decisions about their future.

If you have any questions or concerns, please do not hesitate to contact us. We thank you for your continued cooperation and support.

Yours faithfully

Mr P White  
**Director of Sixth Form – Student Experience**
