Dear Student

**Re: Year 13 Results Day**

I am writing to give you some information about results day this summer. Our aim is to make sure you all receive your results at the same time, but also to provide the opportunity for you to collect your results from the school (in The Space) should you wish. This will allow school staff to offer their congratulations and also give guidance on next steps should you need it. Please see further details below, and should you have any questions about results day, please contact the Sixth Form Team.

We would also like to invite you to give permission for us to request the exam scripts across your subjects. The exam boards have moved to an electronic system for requesting student papers and this can not only help up to better support you if you are looking to request a remark, but also allows us to anonymise answers and use these to help future cohorts of students at Hunsley to succeed. If you are happy to give us permission to access your papers please complete the form on results day.

If you have already signed in the LRC you do **not** need to complete this form.

We hope you have an enjoyable summer and look forward to welcoming you on results day.

Best wishes
