2. Qualifications

The qualifications offered at this centre are decided by the Senior Leadership Team, working with subject leaders.

The types of qualifications offered are Functional Skills, Entry Level Qualifications, GCSE Qualifications, A and AS Level Qualifications and Vocational/Technical Qualifications.

The subjects offered for these qualifications in any academic year may be found in the centre's published prospectus or similar documents for that year. If there is to be a change of specification for the next year, the exams office must be informed by January each academic year.

Informing the exams office of changes to a specification is the responsibility of subject leaders.

Decisions on whether a candidate should be entered for a particular subject will be taken by the Senior Leadership Team in consultation with teachers and subject leaders.

3. Exam series and timetables

Internal exams (mock or trial exams) and assessments are scheduled in the summer term of the preceding academic year, in line with the whole-school calendar.

External exams and assessments are scheduled in the preceding academic year, and in the case of some qualifications, including vocational qualifications, must be mapped out before any student is enrolled on the course.

Internal exams are held under external exam conditions, although they may sometimes be held in subject classrooms.

The senior leadership team decides which exam series are used in the centre.

The centre does offer some assessments on an on-demand basis. If offered, on-demand assessments can be scheduled only in windows agreed between the subject or pastoral leader and the exams officer, and senior leadership team.

Exam timetables

Once confirmed, the exams officer will circulate the exam timetables for internal and external exams at a specified date before each series begins.

4. Entries, entry details and late entries

Candidates or parents/carers can request a subject entry, change of level or withdrawal. Such requests must be made to the exams officer for consideration. South Hunsley School retains the final decision on any such requests.

The centre accepts entries from private candidates only in specific circumstances. Applications for private entries must be made to the exams officer, via the main school reception.

The centre does not act as an exams centre for other organisations.

Entry deadlines are circulated to subject leaders via email and internal post.

Subject Leaders will provide estimated entry information to the exams officer to meet JCQ and awarding body deadlines.

Entries and amendments made after an awarding organisation's deadline (i.e. late) require the authorisation, in writing, of the exams officer and/or the deputy headteacher with responsibility for assessment.

GCSE re-sits/retakes are permitted, where they are available under the specification rubric.

AS re-sits/retakes are permitted, where they are available under the specification rubric, although students will not routinely be entered for these.

A level re-sits/retakes are permitted, where they are available under the specification rubric.

Principal Learning re-sits/retakes are permitted, where they are available under the specification rubric.

Functional skills re-sits/retakes are permitted, where they are available under the specification rubric.

Re-sit decisions will be made by subject leaders in consultation with students, parents and the senior leadership team where appropriate, and a charge may be made for any resits.

Private candidates

Managing private candidates is the responsibility of the exams officer. Private candidates are accepted at the discretion of the school, and must have been previous students or employees. An administrative charge may be made to private candidates to cover additional costs incurred in providing additional administration, rooming and invigilation.

5. Exam fees

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies.

The exams officer will publish the deadline for actions well in advance for each exams series.

GCSE first entry exam fees are paid by the centre, except in the case of external candidates, who are responsible for all exam fees.

AS Level first entry exam fees are paid by the candidate unless otherwise agreed by the Exams Officer, except in the case of external candidates who are responsible for all exam fees.

A Level first entry exam fees are paid by the centre, except in the case of external candidates, who are responsible for all exam fees.

Principal Learning first entry exam fees are paid by the centre, except in the case of external candidates, who are responsible for all exam fees.

Functional skills first entry exam fees are paid by the centre, except in the case of external candidates, who are responsible for all exam fees.

Late entry or amendment fees are paid by the centre, department, or candidates, depending on the reasons and responsibilities for late entries. Only where the choice or a clerical error has been made by the centre itself, will the centre be responsible for payment of these fees.

Fee reimbursements are sought from candidates:

- if they fail to sit an exam;
- if they do not meet the necessary NEA or coursework requirements without medical evidence or evidence of other mitigating circumstances.

Re-sit fees are paid by candidates, unless the decision to take the resit has been made by the school.

6. Equality Legislation

All exam centre staff must ensure that they meet the requirements of any equality legislation.

The centre will comply with the legislation, including making reasonable adjustments to the service that that they provide to candidates in accordance with requirements defined by the legislation, awarding bodies, and JCQ. This is the responsibility of the deputy headteacher with responsibility for assessment, working with the exams officer, SENCO and safeguarding officer where appropriate.

Access arrangements

The SENCo will inform subject teachers of candidates with special educational needs and any special arrangements that individual candidates will need during the course and in any assessments/exams.

A candidate's access arrangements requirement is determined by the SENCO.

Ensuring there is appropriate evidence for a candidate's access arrangement is the responsibility of the exams officer, and the SENCO where the student has been assessed by the SEN team.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the exams officer.

Rooming for access arrangement candidates will be arranged by the exams team.

Invigilation and support for access arrangement candidates, as defined in the JCQ access arrangements regulations, will be organised by the exams team, with input from the SEN team.

Word Processing Policy

Centres are allowed to provide a word processor, with spelling and grammar checks facility/predictive text disabled, to a candidate where it is their normal way of working within the centre, unless the awarding body specifications state otherwise.

A word processor cannot be granted to a candidate because he/she wants to type rather than write in an examination, or because they can work faster on a keyboard. The use of a word processor must reflect the candidate's normal way of working. A word processor will have the facilities to print off the candidates work once the exam is over. The candidate must be present to verify that the work printed is theirs before it can be sent to the exam board and a cover sheet will be completed to confirm the candidate work.

Our SEND team will set out the types of candidates which it considers would benefit from the use of a word processor through our exam concessions testing. If a candidate accrues an injury during the examination season and is unable to write a laptop will be provided by the exams team and all rules will still apply.

Contingency planning

Contingency planning for exams administration is the responsibility of the Deputy Headteacher with responsibility for assessment.

Contingency plans are available to senior leaders, the exams team, and for inspection, and are in line with the guidance provided by Ofqual, JCQ and awarding organisations.

7. Estimated grades

Subject Leaders are responsible for submitting estimated grades to the exams officer when requested by the exams officer.

8. Managing invigilators

External staff will be used to invigilate examinations. These invigilators will be used for some internal exams and all external exams.

Recruitment of invigilators is the responsibility of the Data and Timetabling team working with the Exams Officer and Human Resources Department.

Securing the necessary Disclosure Barring Service (DBS) clearance for new invigilators is the responsibility of the Director of Human Resources.

DBS fees for securing such clearance are paid by the centre.

Invigilators' rates of pay are set by the Executive Principal/Head of School.

Invigilators are recruited, timetabled, trained, and briefed by the Exams Officer.

9 Malpractice (see Exams Malpractice Appendix)

The Head of Centre in consultation with the Deputy Headteacher with responsibility for assessment is responsible for investigating suspected malpractice.

10 Exam days

The Exams Officer will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilation team.

The Premises Manager is responsible for setting up the allocated rooms, and will be advised of requirements at least 7 days in advance.

The exam invigilators will start and finish all exams in accordance with JCQ guidelines.

Subject staff may be present at the start of the exam to assist with identification of candidates, but should not be present in the exam rooms. Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

In practical exams, subject teachers' availability will be in accordance with JCQ guidelines.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Unused papers will be distributed to heads of department in accordance with JCQ's recommendations and no later than 48 working hours after candidates have completed them.

After an exam, the Exams Officer will arrange for the safe dispatch of completed examination scripts to awarding bodies, working in conjunction with the Estates team.

11. Candidates

The exams officer will provide written information to candidates in advance of each exam series. A formal briefing session for candidates may be given by the senior leadership team or heads of house.

The centre's published rules on acceptable dress and behaviour apply at all times. Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage. Students are asked not to bring valuables to the centre on exam days. An invigilator will be available to monitor unattended belongings, but accepts no responsibility for their loss or damage.

In an exam room candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, or the specification for that subject. This is particularly true of mobile phones, electronic communication or storage devices with text or digital facilities or any other equipment which provides access to the internet. Any precluded items must not be taken into an exam room.

Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the senior leadership team.

Candidates who leave an exam room with the intention of returning to continue with the exam e.g. for a toilet break, must be accompanied by a member of staff at all times.

The Exams Officer is responsible for handling late or absent candidates on exam day.

Students who fail to attend a scheduled exam for which they are entered, and who are not able to provide satisfactory justification for their absence, will be liable for the exam fee.

Clash candidates

The exams officer will be responsible as necessary for supervising escorts, identifying a secure venue and arranging overnight stays.

Special consideration

Should a candidate be unable to attend an exam because of illness, suffer bereavement or other trauma, be ill or otherwise disadvantaged or disturbed during an exam, then it is the candidate's responsibility to alert the centre's main reception to that effect. Candidates are advised to do this before 08.30 in the case of morning exams, and 13.00 for afternoon exams, but as soon as possible in any case.

The candidate must support any special consideration claim with appropriate evidence within 3 days of the exam.

The exams officer will make a special consideration application to the relevant awarding body within 14 days of the exam.

12. Internal assessment (see also Non-Examination Assessment Policy)

It is the duty of subject leaders to ensure that all internal assessment is ready for dispatch at the correct time. The exams officer will assist by keeping a record of each dispatch, including the recipient details and the date and time sent.

Marks for all internally assessed work are provided to the exams office by the subject leaders. The exams officer will inform staff of the date when appeals against internal assessments must be made by. Any appeals will be dealt with in accordance with the centre's Internal Appeals Policy (including EARS).

13. Results

Candidates will receive individual results slips on results days,

- in person at the centre
- by post to their home address - candidates to provide a self-addressed envelope
- electronically to their registered email address, on the evening of the results day
- collected and signed for by a nominated family member, friend, or representative.

The results slip will be in the form of a centre produced document.

Arrangements for the centre to be open on results days are made by the exams officer.

The provision of the necessary staff on results days is the responsibility of the Deputy Headteacher with responsibility for assessment.

Enquiries about Results (EAR) (see also Internal Appeals Policy)

EARs may be requested by centre staff or the candidate following the release of results. A request for a re-mark or clerical check requires the written consent of the candidate, a request for a re-moderation of internally assessed work may be submitted without the consent of the group of candidates.

The cost of EARs will be paid by the centre or the candidate depending on who is making the request.

All decisions on whether to make an application for an EAR will be made by a member of the senior leadership team.

If a candidate's request for an EAR is not supported, the candidate may appeal and the centre will respond by following the process in its Internal Appeals Policy (including EARS).

All processing of EARs will be the responsibility of the exams officer, following the JCQ guidance.

Access to Scripts (ATS)

After the release of results, candidates may ask subject staff to request the return of written exam papers within 21 days of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

An EAR cannot be applied for once an original script has been returned.

The cost of EARs will be paid by the centre or candidate, depending on who is making the request.

Processing of requests for ATS will be the responsibility of the exams officer.

14. Certificates

Candidates will receive their certificates

- in person at the centre
- by post to their home address (candidates to provide a self-addressed envelope)
- collected and signed for, by a family member or designated representative.

Certificates are available from November following publication of results in August.

Certificates can be collected on behalf of a candidate by third parties, provided they have written authority from the candidate to do so, and bring suitable photographic identification with them that confirms who they are.

The centre retains certificates for 3 years. After this time, all certificates are returned to Awarding Bodies.

A new certificate may be requested from and issued by relevant Awarding Bodies. A transcript of results may be issued if a candidate agrees to pay the costs incurred. All such requests should be directed to Awarding Bodies.

Appendix 1 - Exams Malpractice

Staff Malpractice Policy

Introduction

This section of the policy sets out to define the procedures to be followed in the event of any dispute or allegation regarding staff malpractice in the assessment of internally marked qualifications and also regarding examinations invigilated by staff at the school and marked externally.

Examples of Malpractice

Attempted or actual malpractice activity are unacceptable. The following are examples of malpractice by staff with regards to portfolio-based qualifications. This list is not exhaustive:

- Tampering with candidates work prior to external moderation/verification
- Assisting candidates with the production of work outside of the awarding body guidance
- Fabricating assessment and/or internal verification records or authentication statements
- Failure to take reasonable steps to check that the work submitted by students is their own

The following are examples of malpractice by staff with regard to examinations:

- Assisting candidates with exam questions outside of the awarding body guidance
- Allowing candidates to talk, use a mobile phone or go to the toilet unsupervised
- Tampering with scripts prior to external marking taking place.

Staff Malpractice Procedure

Investigations into allegations will be conducted by a member of the senior leadership team. The investigation will involve establishing the full facts and circumstances of any alleged malpractice, and will proceed as per the relevant school policy.

The member of staff will be:

- informed in writing of the allegation made against him or her
- informed what evidence there is to support the allegation
- informed of the possible consequences, should malpractice be proven
- given the opportunity to consider their response to the allegations
- given the opportunity to submit a written statement
- given the opportunity to seek advice (as necessary) and to provide a supplementary statement (if required)
- informed of the applicable appeals procedure, should a decision be made against him/her
- informed of the possibility that information relating to a serious case of malpractice will be shared with the relevant awarding body and may be shared with other awarding bodies, the regulators Ofqual, the police and/or professional bodies including the GTC.

If work is submitted for moderation/verification or for marking which is not the candidate's own work, the awarding body may not be able to give that candidate a result.

Staff Malpractice Sanctions

Where a member of staff is found guilty of malpractice, the Executive Principal may impose the following sanctions:

- 1) Written warning: Issue the member of staff with a written warning stating that if the offence is repeated within a set period of time, further specified sanctions will be applied
- 2) Training: Require the member of staff, as a condition of future involvement in both internal and external assessments to undertake specific training or mentoring, within a particular period of time, including a review process at the end of the training
- 3) Special conditions: Impose special conditions on the future involvement in assessments by the member of staff

4) Suspension: Bar the member of staff in all involvement in the administration of assessments for a set period of time

5) Referral to the school governing body, through the school disciplinary process: Should the degree of malpractice be deemed gross professional misconduct, the member of staff may be referred to the school governing body.

Appeals

The member of staff may appeal against sanctions imposed on them. Appeals will be conducted in line with the school's Appeals Policy.

Candidate Malpractice Policy

Introduction

This policy sets out to define the procedures to be followed in the event of any dispute or allegation regarding candidate malpractice in the assessment of internally marked qualifications and also regarding examinations marked externally.

Examples of Malpractice

Attempted or actual malpractice activity will not be tolerated. The following are examples of malpractice by candidates with regards to portfolio-based qualifications. This list is not exhaustive:

- Plagiarism: the copying and passing of as the candidate's own work, the whole or part of another person's work or work that has been generated through AI;
- Collusion: working collaboratively with other learners to produce work that is submitted as the candidate's only;
- Failing to abide by the instructions of an assessor – This may refer to the use of resources which the candidate have been specifically told not to use;
- The alteration of any results document.

If a teacher suspects a candidate of malpractice, the candidate will be informed and the allegations will be explained. The candidate will have the opportunity to give their side of the story before any final decision is made. If the candidate accepts that malpractice has occurred, he/she will be given the opportunity to repeat the assignment if appropriate. If found guilty of malpractice following an investigation, the teacher may decide to re-mark previous assignments and these could also be rejected if similar concerns are identified.

The following are examples of malpractice by candidates with regards to examinations. This list is not exhaustive:

- Talking during an examination
- Taking a mobile phone into an examination
- Taking any item other than those accepted by the Awarding Body into the examination, such as a book or notes
- Leaving the examination room without permission
- Passing notes or papers or accepting notes to, or accepting notes or papers from another candidate

If a teacher suspects a candidate of malpractice during an examination, the candidate will be informed and the allegations will be explained. The candidate will have the opportunity to give their side of the story before any final decision is made. If the candidate is found guilty of malpractice, the Awarding Body will be informed and the candidate's examination paper will be withdrawn. It is unlikely that the candidate will have the opportunity to repeat the examination.

Appeals

In the event that a malpractice decision is made, which the candidate feels is unfair, the candidate has the right to appeal in line with the Appeals Process as laid out in the Internal Appeals Policy.

Appendix 2 – Exams Contingency Plan

Exam Contingency Plan

Approved by: Barry Gray
Title: Deputy Headteacher

Date of next review: Spring 2024

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at South Hunsley School and Sixth Form. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions may have on our exam process.

Alongside internal processes, this plan is informed by scenarios contained in the *Joint contingency plan in the event of widespread disruption to the examination system in England, Wales and Northern Ireland*.

This plan complies with JCQ general regulations (section 5) in that:

The centre agrees to “have in place a written examination contingency plan/examinations policy which covers all aspects of examination administration. This will allow members of the senior leadership team to have a robust contingency plan in place, minimising risk to examination administration, should the examinations officer be absent at a crucial stage of the examination cycle;”
