Dear Parent/Carer

**Re: Funeral Arrangements – Mr M Simpson**

Everybody here at South Hunsley School has taken a great deal of comfort from the messages of sympathy and condolence received from parents, carers and so many others in our local community, following the tragic death of our colleague Mr Simpson.

Mr Simpson's family have confirmed details of the arrangements for his funeral, which will take place at Haltemprice Crematorium on Thursday 21 September. The family have requested a small and private service and we are supporting their wishes in this.

Students should be assured that there will be an opportunity to pay tribute to Mr Simpson and more details on this shall follow in the near future.

Yours Faithfully
