

To: All parents/carers of pupils in Years 10 & 11

13 October 2023

Dear Parent/Carer

Re: GCSE Support Information Evening 2023

Many parents and carers ask how they can best support their children as they begin to prepare for their GCSEs. Family involvement during this crucial time can make a big difference, with successful pupils often talking of the importance of a 'team effort'. According to research, parental support is up to eight times more important in determining a child's academic success than background and social circumstances. The good news is that you do not have to be an expert in any of the subjects your child studies to make a difference.

Through years 10 and 11, the expectations of your child will start to grow and at times these expectations can be challenging to meet. By working with your child's teachers, you can help make sure they have a good understanding of the importance of planning, independent learning, revision, exam technique and answer structure.

To support with this we are inviting parents and carers of all pupils in years 10 and 11 to our GCSE support information evening on **Thursday 26 October**. The event will take place in Riding Hall with one presentation at 5:30pm and repeated at 6.30pm. You are welcome to choose whichever of these times is most convenient, as long as spaces remain. Spaces can be booked using this link:

<https://southhunsley.schoolcloud.co.uk/>

As seating in Riding Hall is limited, we would ask that pupils do not attend this event so that space for parents and carers is maximised. Pupils will be given this information in school. Please also be aware that the slides and information that we will share will be similar to that which was covered in our Information Evening in autumn 2022 so you may be familiar with it already.

We have also produced an online information booklet which has guidance on exam boards, controlled assessment, rules of exams, support materials and other top tips. This will be available on the evening and also on the school website during the week of Monday 23 October.

If you would like any further help in supporting your child, please contact their Head of Year who will be happy to help.

Yours faithfully

Barry Gray
Deputy Headteacher
