

Dear Parent/Carer

Re: Easter holiday provision for Key Worker families

I hope that you and your family are well and that your children have found the online work and resources helpful during this difficult time. In addition to this provision we have since schools temporarily closed supported over 400 key worker shifts via school based child care across the Education Alliance. This is something we are very proud of and I know has been warmly welcomed by those families who have accessed this.

As there is clearly a need for this child care, we are committed to continuing our provision over the Easter Break including Good Friday and Easter Monday. So we can plan the appropriate levels of staffing, it would be really helpful if those parents/carers who are intending to access this could confirm which days they are planning to send their child in over the two week period (Monday 6 April to Friday 17 April). To do this please email the days you need to enquires@southhunsley.org.uk. Where exact requirements for the second week of Easter are not yet known please indicate likely days needed which can then be confirmed at a later date.

Please note this provision is also available for pupils who are classed as vulnerable (defined as any child with a social worker). We are also happy to have a conversation and assess the need for any pupil who has an Education, Health Care Plan.

Many thanks for your continued support and the valuable work you are all doing at this unprecedented time.

Kind Regards

Richard Williman
