

19 March 2020

Dear Parent/Carer

Can I start by thanking everyone for the fantastic support we have received at what is an unprecedented time for us all. Your understanding and kind words have made such a difference, thank you.

Following the government announcement yesterday evening we will, like all schools across the country be closing from 3.45pm tomorrow, Friday 20 March. Full details regarding our provision for students from Monday 23 March will be shared in a fuller update tomorrow, which I hope will be helpful in supporting your planning.

I have this morning spoken to our Year 11 and 13 students regarding the examination announcement the government made yesterday and offered our reassurance that as a school and trust we will continue to do absolutely everything we can to make sure they are in the best possible position going forward. I have followed this up with a letter directly to our students which I hope is helpful.

Can I thank you once again for your continued support

Kind regards
